GOVERNOR

October 2008

Dear Friends:

It is my pleasure to welcome you to the North Carolina State Fair, which runs October 16-26, 2008. This year, the State Fair will open one day early, and I encourage everyone to do as the theme suggests: "Take Time for a Great Time!"

This year, you and your family have more time to enjoy the cooking contests, garden exhibits, livestock shows, food and thrill of the midway. Be sure to visit the Folk Festival tent, which is celebrating 60 years at the State Fair, to see first-class singers, dancers and performers.

For 155 years, the State Fair has been the gathering place to share in our state's agricultural bounty. Thank you for supporting North Carolina's important agricultural industry and I hope you will enjoy all that our state has to offer.

With kindest regards I remain,

Very truly yours

Mike Easley

Dear State Fair Friends,

This year's State Fair theme, "Take Time for a Great Time," emphasizes how important it is to dedicate a piece of our busy lives to fun and traditions. The State Fair is a wonderful fall tradition that is rooted in our state's agricultural heritage and provides an abundance of fun for kids of all ages.

The N.C. State Fair is a great place to test your talents. Whether you enter a cake decorating competition, crochet a hand-crafted garment or raise a prize-winning pig, there is a competition at the Fair for you. While you are at the Fair, revel in the creativity of others, take a stroll through the exhibit buildings, watch a livestock competition and enjoy the musical acts in Dorton Arena.

The 2008 N.C. State Fair is a time to make memories with your friends and family, and to remember why we live in this wonderful state. I look forward to seeing you at the Fair.

Sincerely,

Beverly E. Perdue

Commissioner

Dear Fair Friends,

The 2008 N.C. State Fair is almost here and it promises to be one of the best yet. I hope you find our premium book informative and full of competitions that could win you a blue ribbon. Competitive exhibits are an important part of the Fair and I would like to thank you for taking time to enter your prized possession, and for being a part of the longstanding tradition of friendly competition.

Agriculture is the heart of the N.C. State Fair and the foundation of our competitive exhibits. The Fair was first created as an exposition for North Carolinian farmers to showcase their crops and learn about new technology. Today, the Fair highlights advances in agriculture and displays the best that North Carolina has to offer in the areas of crafts, cooking, livestock, arts, musical talents and more.

Our theme this year is "Take Time for a Great Time." I hope you will take time to visit some of our special exhibits while at the Fair, including Green NC, a new exhibit that focuses on clean, efficient and renewable energy alternatives for your home, business and farm. This special exhibit, along with favorites like Got to Be NC, Field of Dreams and the State Fair Ark, are great complements to the competitive exhibits program.

On Wednesday, Oct. 22, we will celebrate Century Farm families with a reunion and breakfast in Dorton Arena. The Century Farms program recognizes families who have owned or operated a farm in North Carolina for 100 years or more. These farm families are dedicated to preserving our state's agricultural heritage, and I am proud to honor them at the State Fair.

The N.C. State Fair remains an agricultural fair and is committed to showing our state's agriculture at its best. I wish you good luck with your entries and I hope to see you, your family and friends Oct. 16-26 in Raleigh.

Sincerely,

Steven W. Troxler

Wesley V. Wyatt
Manager

Dear Friends,

I would like to thank you for your interest in the North Carolina State Fair and our first-class competitive exhibits. Please look through the 2008 premium book to discover the many ways you can participate. Competitive exhibits have always been an essential part of the Fair, and with more than $500,000 in premium money at stake and hundreds of categories to choose from, there is a competition for everyone. Please note all entry forms must be submitted by Wednesday, Sept. 24.

This year's theme is "Take Time for a Great Time." We have added an extra day to the Fair, which means there are now 11 days of fun. I encourage you to see an exhibit, attend a free entertainment show, or enter a competition that you have never had time for in the past. Cheer on a youth livestock exhibitor as she shows her prize-winning lamb, clap to the rhythm of a Folk Festival clogger, and teach your children the value of energy conservation in the new Green NC exhibit.

There's so much to do at the State Fair. If you would like more information, please visit our Web site, www.ncstatefair.org. I appreciate your continued support, and hope to see you Oct. 16-26.

Sincerely,

Wesley Wyatt

MAKE ALL ENTRIES EARLY!!! The right is reserved to reject any entry and all entries received after all space is taken must be rejected.

You will find the CLOSING DATES FOR ENTRIES set out in the Rules and Regulations and the general headings of each of the various departments. These dates VARY WITH THE SPECIAL REQUIREMENTS OF THE SPECIFIC DEPARTMENT. Check these Closing Dates carefully.

SEPARATE ENTRY BLANKS are required for entries in each of the departments. Request the Entry Department supply you with an adequate number of entry blanks.

Competition is OPEN TO THE WORLD in the Flower and Garden Show, Folk Festival, Rabbits, Goats, Dairy Cattle, Beef Cattle, Swine and Sheep and the Horse Show.

In all other divisions and departments competition is LIMITED TO RESIDENTS OF NORTH CAROLINA.

All entries (with exceptions noted in the Livestock Division for group classes) must be made in the name of the owner, breeder, manufacturer, grower, producer, or one whose skill the exhibit represents. A firm, to be entitled to exhibit as such, must have been organized not less than 30 days prior to the closing date for entries, and such firm must have been organized as a bona fide firm for the purpose of producing, or buying and selling the articles or animals it proposes to exhibit in the name of such firm. A firm will be regarded as one exhibitor.

Official printed forms or copies of this form MUST BE USED in making applications for entry.

One can be found in the back of the book. USE A SEPARATE FORM FOR ENTRIES IN EACH DEPARTMENT. *Be sure to fill out the application form completely, accurately and legibly. Give your rural route number, post office box number, or city street address and zip code +4, telephone number and social security number.*

Additional application forms are available upon request at: N.C. STATE FAIR, 1010 MAIL SERVICE CENTER, RALEIGH, N.C. 27699-1010 919 821-7400.

Incomplete entry forms will be returned for correction if there is time to do so, but REMEMBER: No article or animals will be entitled to exhibition space until proper entry has been made. No entry will be accepted after the closing date listed for each department.

Once an entry is made, it cannot be changed except where it is improperly classed or a mistake has been made in copying the original entry—in which event the changes can be made only with the permission of the Department Superintendent, or Director in charge, AND THEN ONLY IN THE OFFICE OF THE "ENTRY SUPERINTENDENT." If the records are altered and do not conform with the information on file in the Entry Department, payment of premiums will be withheld.

No person except personnel of the Entry Department will be allowed to see the entries, or have access to the entry books, until after the awards are made.

The same article or animal cannot be entered for more than one premium number (except as otherwise stated in the Special Department Rules and Regulations). Collections and displays must be made up of specimens, other than those entered in single (individual) classes unless otherwise noted.

Except for the Horse Show no entry fees are required in any department, except that livestock, poultry, and rabbit exhibitors must include payment of stall, pen, and coop fees with their applications for entry. (SEE HEAD-NOTES OF THESE DEPARTMENTS FOR SCALE OR FEES.) SEE DEPT. H, Arts and Photography head-notes for entry fees in the professional and amateur categories.

Entry forms should be mailed to: N.C. STATE FAIR, 1010 Mail Service Center, Raleigh, N.C. 27699-1010.

EXHIBITS AND EXHIBITORS

The dates on which your exhibits must be in place at State Fair VARY FROM ONE DEPARTMENT TO ANOTHER. These dates are set out in the Department Headings and Rules and Regulations. Check these dates carefully so you can get your exhibits IN PLACE AT THE PROPER TIME TO BE JUDGED.

UNCLAIMED EXHIBITS FROM COMPETITIVE DEPARTMENTS, will be considered abandoned if not called for within one week after the official closing of the Fair, and may be disposed of as the Manager of the Fair sees fit. SEE SPECIAL RULES for the Culinary and Horticulture Departments.

Remember! All exhibits must be officially entered in the Fair on official printed forms provided for that purpose, before the closing date for entries in the department. No article or animal will be entitled to space or considered in the judging until proper entry has been made. Removal of exhibits before the date and time specified will be cause for forfeit of all premiums won, all fees paid, and the right to further participation in the Fair.

In all but livestock departments, entries and exhibits will remain in place through the entire fair. Release times are scheduled for the day following the fair due to the lack of parking available nearby for those to pick up entries or exhibits, and in an effort to keep vehicles off the grounds during crowded conditions. The regulation will also assure those attending the fair during the evening of the final day of seeing the same exhibits and entries as those attending earlier.

All exhibits will be numbered and recorded in the books of the proper department and class and exhibit tag with corresponding numbers will be issued. This tag must be securely attached to the exhibit and must remain on the exhibit throughout the Fair (except that exhibit tags issued for livestock and poultry may be conspicuously displayed upon the stall, pen or coop). ENTRY TAGS WILL NOT BE MAILED but will be available, at the Entry Department, Administration Building.

Once the exhibit is numbered and tagged, it should be delivered to the Department Superintendent or Director who will allocate space and either personally arrange the exhibit in a suitable and attractive display or direct such action by the exhibitor. The State Fair assumes no responsibility for the incorrect tagging of exhibits.

All exhibitors are urged to personally bring their exhibits to the Fair and enjoy the educational and recreational advantages of the annual exposition. However exhibits may be shipped or mailed to: N.C. STATE FAIR, 1010 MAIL SERVICE CENTER, RALEIGH, N.C. 27699-1010, and they will be carefully handled, officially entered, tagged, and otherwise treated in the same manner as previously described. They will be given the same consideration with regard to display and judging as exhibits personally delivered.

All exhibits shipped or mailed MUST BE PREPAID. No transportation charges for express, postage, freight or drayage will be paid by the Fair. Shipments should be carefully labeled, accompanied by a bill of lading, and properly identified inside and outside the package as to the department, class and premium number under which they have been previously entered. They should be shipped or mailed at least a week or 10 days prior to the opening of the Fair. The management will not be responsible for delayed shipments which arrive at the Fair too late to be considered in the judging.

Division Directors and Department Superintendents will have full authority over allocation of space, and will have direct supervision of all exhibits which are considered on exhibition as a part of the Fair's attractions, subject to use as these Directors and Superintendents see fit to add to the educational values of the Fair. Livestock able to be led or driven, or which will follow, must participate in parades and group exhibitions as directed by the Department Superintendent.

All livestock must be cared for by the exhibitor except as noted in the Junior Dairy Cattle and Market Cattle shows. Stalls and pens will be furnished bedding before the Fair free of charge. Thereafter exhibitors will be required to furnish their own

bedding and keep all stalls and pens clean. Feed and straw will be sold on the grounds at prevailing prices.

When exhibit tags are issued by the Entry Department for each article entered, a stub will be given the exhibitor to serve as his claim check to recover and secure the release of his exhibit. Claim checks should be guarded carefully, since Department Superintendents and Directors are not allowed to release any exhibit without presentation of the exhibit tag stub. If the claim check is lost, such loss should be reported promptly and it will be necessary for the exhibitor to furnish the Superintendent of the Entry Department proof of ownership of the article on exhibit.

Exhibits entered in the premium classes which are not claimed within one week after the close of the Fair will be considered to have been abandoned by the exhibitor and will be disposed of as the Manager of the Fair sees fit. Other exhibits, materials therein, including concession booths, which are not claimed by the exhibitor or concessionaire within 30 days after the end of the Fair will be considered to have been abandoned and will become the property of the State Fair.

The Fair management reserves the right to reject any exhibit which does not reflect merit and which would not be a credit to both the exhibitor and the Fair. Also, the right is reserved to reject exhibits which are deemed objectionable or unsuitable for exhibition. All entries are accepted conditionally pending inspection of the article or animal to be exhibited. Any article or animal which proves to be misrepresented or falsely classed will be rejected and the right of the exhibitor to further participation in the Fair will be denied.

Division Directors, Department Superintendents, and/or Judges must report disqualification of entries to the Manager of the State Fair immediately after such action is taken. UNDER NO CIRCUMSTANCES WILL JUDGING BE CONSIDERED OFFICIAL AND PREMIUMS PAID IN A CLASS WHERE DISQUALIFICATION IS RECOMMENDED UNTIL APPROVAL OF THE DISQUALIFICATION(S) IS OBTAINED FROM THE FAIR MANAGER.

Promiscuous advertising is strictly prohibited. Exhibitors may advertise and distribute literature and free samples from their place of exhibit only, but may not sell any article or animal from their exhibit space without a permit from the manager. The distribution of advertising matter which conflicts in any manner with a concession sold by the Management is prohibited.

Commercial exhibitors and concessionaires are responsible for keeping the space in and around their exhibits, including unused space, aisles and roadways, clean and free of rubbish. An area of 10 feet around each exhibit booth and concession stand must be thoroughly cleaned by the exhibitor or concessionaire at the end of each Fair day. Failure to do so will be cause for cancellation of contract.

No exhibit space assigned may be shared or sublet without permission of the Fair manager.

JUDGING AND AWARDS

Decision of the judges will be final, and no appeal will be considered except in cases of protest in writing, with strong evidence of fraud or violation of the rules of the Fair. Protests must be filed with the Division Superintendent not later than noon of the day following the award, and must be accompanied by a protest fee of $5.00 which will be retained by the Fair if the protest is not sustained. The protest must be filed no later than 3 days following the award. The Division Superintendent will appoint a committee to consider the protest and all interested parties will be notified of the time of the hearing and will be given an opportunity to be heard. The rules of the International Association of Fairs and Expositions governing appeals will be those of the North Carolina Fair.

Judges will not award premiums to any article or animal because of its mere presence. It must be individual worthy. It is not the policy of the Fair to encourage indifferent production of any kind, or to distribute premiums equally among exhibitors. No premium will be awarded to any exhibit that does not possess high intrinsic merit.

Unless otherwise specified in the Department Rules and Regulations, NO EXHIBITOR MAY WIN MORE THAN TWO PREMIUMS IN ANY ONE INDIVIDUAL CLASS, AND NOT MORE THAN ONE PREMIUM IN ANY GROUP CLASS.

No exhibitor may accompany judges during their deliberations except such attendants as are necessary to handle and show livestock and other such exhibits. Any exhibitor attempting to interfere with the judges during their adjudications, or who publicly expresses disapproval of the decision of the judges, will be excluded from further competition and any premiums previously won will be forfeited.

Fraud or deception as to breeding, or in any other form, will be exposed and exhibitor guilty of such violation will be excluded from further participation in the Fair and all premiums previously won will be forfeited.

Premiums will be paid only on the basis of the records of the judging reports, which will be signed by the judge and by the Department Superintendent or Director. Ribbons will be securely attached to the articles upon which they were awarded, if possible, but the ribbons have no value in the payment of premiums since they may become detached and find their way on to the wrong exhibit.

Entries made in wrong classes may be reclassed by the Department Superintendent, BUT ONLY IF SUCH RECLASSIFICATION IS MADE IN THE OFFICE OF, AND WITH THE APPROVAL OF, THE SUPERINTENDENT OF THE ENTRY DEPARTMENT. Records must be changed when entries are reclassified. If the records are altered and the entry department files are not changed, premiums will be withheld.

Judges, when requested, may give the reasons for their decisions embracing the value and desirable qualities of the exhibits to which they have awarded premiums.

Judges will not award premiums or ribbons to any article or animal that does not qualify for one of the classes in the State Fair Premium List.

Premiums checks will be mailed to all exhibitors no later than 60 days after the fair. Errors in premium statements will be corrected until December 31, 2008 after which time the books of the 2008 Fair are closed.

The following colors of ribbons will be used to designate awards:

All entries must be the work of the exhibitor. All plant materials in Divisions I, II, III must have been grown by the exhibitor except for those used in designs (flower arrangements). No artificial flowers, foliage, or fruit are allowed in any class without prior approval of the Flower Show Director.

Each exhibitor may submit one exhibit in each class and no exhibit may be entered under more than one class. However, each exhibitor may enter as many classes as are desired.

Dead flowers or foliage may be discarded within each show. Unsightly exhibits may be removed at the discretion of the Flower Show Director.

All exhibits will be under the supervision and care of the Flower Show Director. Every effort will be made to prevent theft and/or damage, but: **The NC State Fair, the Gardeners of Wake County, and the Flower Show Director assume no responsibility for the loss of personal property of the exhibitors.**

Complaints, disputes and suggestions must be submitted to the Flower Show Director in writing. Either deliver directly to the Flower Show Building during the fair, by email or mailing address to John Buettner.

Judging of Exhibits—All judging for the Flower Show (Divisions I-IV) will be based on the National Garden Clubs, Inc. standard system of judging. Only one first place (blue) ribbon, one second place (red) ribbon, and one third place (white) ribbon will be awarded per class or subclass. For judging criteria and specific award information, see the end of this "Rules and Regulations" section.

No fresh plant material is to be treated in any way (e.g. with vegetable oil or leaf shine). Neither cut fruit, (e.g. sliced or peeled) nor cut vegetables, nor prepared foods are permitted.

No backgrounds or soft underlay are allowed. A sturdy base is recommended.

Designs are limited to 2 units or less.

Wreaths are permitted only where specified, and must be ready to hang.

RULES FOR GARDENS

Gardens may be worked anytime after the third weekend in April and must be completed by the Wednesday evening before the opening of the State Fair. **NEW>**The standard plot plan board must be installed before 1:00 pm on Thursday before the judging of the First Show.

Gardens are to be started no later than the last day of September, unless an extension has been granted in writing by the Division V Gardens Chairman or the Flower and Garden Show Director.

The gardens are to be educational as well as artistic and should be functional for the purpose designed. The physical features should serve the purpose intended; e.g. walks should have a destination or illusion of a destination.

Correct common names of plants must be provided. Botanical names should also be included. No artificial plant material is allowed.

All exhibitors must install at least two spotlights in each garden for night lighting. Lighting should be adequate to appropriately illuminate the garden and the plot plan board, and gardens should be fully accessible for night judging and for night viewing by the public.

A 24" x 24" standard plot plan board will be provided and must be utilized. Information to be put on this board must include the following: garden theme, garden concept statement, name of exhibitor, plot plan, list of plants, and exhibitor's entry tag. The exhibitor's name must be masked from the judges' view prior to judging. Failure to do so may result in disqualification. Masking will be removed after judging is complete.

A Garden Concept Statement of 100 words or more should be included on the plot plan board. The Garden Concept Statement is intended to allow the garden designer to relate to the judges and the public a context for understanding what he or she is trying to accomplish, and what other purposes the garden could serve (especially as the public take away ideas to incorporate into their own gardens).

An appropriate sign may be used to acknowledge suppliers and donors only. The sign is to be placed in the garden after judging and in a manner not distracting to the garden. NO signs will be allowed on the fence(s). Any sign or material deemed distracting and/ or inappropriate by the Gardens Chairman and/or Flower and Garden Show Director will be removed. An approved sign may also be placed in the garden after judging indicating that "Some plants will be for sale after 10:00 a.m. on the Monday following the State Fair".

Pre-show clean up is required of all garden walkways and adjacent areas.

All exhibitors must submit an entry form to the NC State Fair Entry Department by September 24, 2008.

Exhibitors must clean, water and replace dead materials in the gardens daily. Pumps, fountains, and lights are to be maintained in good working order.

No exhibitor may enter the grounds for garden clean-out before 10:00 a.m. on the Monday immediately following the close of the State Fair. Removal of garden exhibit materials must be completed by 5:00 p.m. on the Sunday following the close of the state fair unless otherwise permitted exclusively by the Flower & Garden Show Director.

Premium checks will not be awarded until the garden plot is cleaned out during the clean-out period. All bark and soil amendment materials are to be removed from contact with the fence(s) and the remaining ground leveled. All premium checks will be mailed.

Failure to comply with the above rules and those listed in the General Rules for Exhibitors in the State Fair Premium Book could result in forfeiture of the premium check and exclusion from participation in future competitions.

DIVISION VI—PROFESSIONAL GROWERS AND FLORISTS

All entries must be made by prior arrangement with the Division VI Chairperson

OVER THE RIVER AND THROUGH THE WOODS—Can you see the forest and the trees? As you travel to your upcoming holiday destinations, enjoy the scenery and celebrate the bounty of NC's forests and river systems in a dramatic design for a front door. Designers should incorporate natural elements that evoke thoughts of lush forests and sparkling streams, while also celebrating the upcoming holiday season. No artificial or synthetic materials other than foams and adhesives should be used.

TO GRANDMOTHER'S HOUSE WE GO (SURPRISE PACKAGE)—From brightly polished silver to the most scrumptious sweet potato pie, Grandmother's holiday table is a feast for the senses. Designers are to create a centerpiece worthy of taking center stage at Grandma's. The design may be as literal or interpretative as the designer wishes, incorporating traditional centerpiece themes or employing vegetative elements, family photos, china, silver or kitchen items in the design.

READY FOR A CLOSE-UP—Elizabeth Taylor is getting married again and she needs a bouquet! Create a design worthy of a stroll down the red carpet. Channel Hollywood glitz and glamour with the inclusion of at least one fabric, jewelry or metallic element. Bouquet worthy for a matinee idol, whether it is Elizabeth Taylor's 10th turn as a bride or a young starlet's first. Hollywood glitz and glamour are the perfect inspiration for a bridal bouquet ready for a close-up.

A LIFE INSPIRED—Who has inspired you in life? A parent, a teacher, a friend. Designers are challenged to create an original sympathy design celebrating the inspiration of a loved one who has passed. The design may be as traditional or "out-of-the-box" as the designer wishes, but it must clearly create a story about a person inspirational in his/her life. Designers should include a brief written description of the person who inspired the design which will be displayed with the arrangement.

NORTH CAROLINA THE BOO-TIFUL—Blackbeard's Ghost. The Maco Light. The Phantom Train Wreck. Specters, ghosts, and goblins abound in the Old North State fueled by the talents of Southern storytellers and our own desire to believe in the unbelievable. Designers must create a design incorporating themes from NC's spookiest stories while also paying homage to our state's rich folklore. Books, photographs, maps, and souvenir items can play a key role in the design or the designer may take a more interpretative approach.

BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT. Some - but not all - are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken. Display Booths must be reserved on or before July 1. Booths not requested by this date will be assigned by invitation. Booth space will be allocated on basis of show record of applicant if there are more applicants than available space. Booths must be kept clean and neat. All items not on exhibit must be removed from exhibit area or stored in storage space under the booth. No boxes or other material shall be left on the floor behind the booths.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. Be sure to fill in the application form *completely, accurately and legibly*. Give your rural route number, post office box number, or city street address and zip code, phone number and social security number.

No labels on honey jars.

Any name or reference to the exhibitor (other than entry number) on any entry including the display booth must be covered prior to judging. Preference in judging displays will be given to those exhibits made during the current season or which bring a significantly new look to their previous display.

All honey entries are limited to honey made in North Carolina during the current season. Preference in judging will be given to those beeswax entries which were made during the current season. All honey and beeswax entered by an exhibitor must have been produced by the exhibitor. All types of honey displayed must be protected from honeybees and other insects. Cellophane, glass, or transparent material of some other suitable type is recommended for this purpose.

Live bees and queens must be displayed in escape-proof observation hives or queen cages.

Observation hives must be cared for during the week. Dead bees must be removed at intervals. Bees must be given cleansing flights or exchanged for fresh bees. Due to space limitations, observation hives may not exceed a size equivalent to three standard frames.

All exhibits must be of required color, quality, and condition in order to receive premiums and prizes. No premium will be given to any one entry through lack of competition if the entry is of inferior quality.

There is a limit of one entry per person for each listed category.

Exhibitors are urged to personally deliver their exhibits at the Fair, but if this is not possible PRE-PAID shipments of non-perishable entries will be accepted if addressed to DIRECTOR, BEES AND HONEY DEPARTMENT, N.C. STATE FAIR, 1010 Mail Service Center, Raleigh, NC 27699-1010. Shipments should be carefully labeled and should indicate on the outside and inside of the package the Premium Number under which entered, a description of the contents of the package, and the exhibitor's name and address. Instruction for return or disposal of shipments at the end of the Fair must accompany each shipment. Exhibits should be brought to the Entry Office to pick up tags. Entry forms may be completed and mailed any time after the premium book is received. This will eliminate waiting for the tags to be completed. All entry forms must be delivered by 5:00 p.m., Wednesday, September 24. Foods cooked with honey must be in place for judging by 2:00 p.m., Wednesday, October 15. Display booths must be set up on Wednesday prior to judging time. Return shipments will be made via express with transportation charges collect unless otherwise provided for. SECTION 104: FOODS COOKED WITH HONEY

1. All entries in this class must contain honey as one of the principal sweetening ingredients.
2. The purpose of this competition is to demonstrate skill in the use of honey in cooking. Therefore, the proportion of honey in the recipe will be a primary consideration in scoring by the judges. There are no other ingredient restrictions, and commercial mixes may be used. Factors such as whether the entry is representative of the entered class and freshness of the product will be considered in the judging. It will be the responsibility of the exhibitor to see that entries are correctly classified and tagged. The score cards used in Department

"W" (Culinary) Class 2 will be used as guides in judging foods cooked with honey.
3. Place cakes on pieces of **very heavy** cardboard which has been covered with foil or wax paper. Cardboard should extend one inch beyond the cake on all sides. Punch a hole in the cardboard base so an entry tag can be tied through it. An entry tag will be provided when the entry is delivered. Place the unwrapped entry in a large clear food grade plastic bag (plastic wrap is not acceptable) with the entry tag extending outside the bag. **You must supply your own plastic bag. None will be available at the Fair entry office.** Entries may be transferred to clear plastic containers by the judges for display. Any liquid entries should be in disposable containers.
4. Entries must be prepared from ingredients compatible with commonly accepted recipes for the class in which they are entered. Each entry must be accompanied by a recipe on a 3x5 or suitable card using only one side of the card (may be placed in a zip lock bag). Exhibitors are required to enter at least 1/2 of a cake and bread for judging. Junior and Senior entries cannot be from the same cake. Commercial mixes are acceptable but not ranked as highly as items made from scratch. All entries will be discarded at the end of the Fair unless other arrangements have been made with the superintendent. Assistance may be provided to Junior participants but the entry must be primarily the effort of the entrant.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this division. BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT. Some - but not all - are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this Division.

ENTRIES

MAKE YOUR ENTRIES EARLY!! The right is reserved and will be used to reject entries received after all available space is taken, even though this occurs before specified time for closing entries.

Official printed forms must be used in making application for entry. One will be found in the back of this book. Additional copies are available upon request. Use a separate form for making entries in each department. *Be sure to fill in the application form completely, accurately, and legibly.* Give your rural route number, post office number, or city street address, zip code, Social Security Number or Federal ID Number, and telephone number, including area code.

Indicate on the form the total number of animals you will exhibit and the total number of stall spaces or pens you will require, <u>including those to be used for tack, feed and bedding.</u>

List the class number, as indicated in the premium list, for which each entry is made. *Use a separate line for each animal.* Do not make entries in the Championship classes. Indicate if you plan to make entries in the group and/or herd classes. But it is not necessary to name the animals which will make up your group or herd until after judging of the individual classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List, also, on the application form the name (or ear tag number) and registry number of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the superintendent. All beef cattle and swine over six months of age and all sheep over three months of age must be registered with their respective breed associations in the name of the bonafide owner, who must show official evidence of ownership of animal at least 30 days prior to showing. (See exceptions to this rule for group classes only in some departments.)

Each breed of livestock must be exhibited by more than one farm if the breed is to be considered for continuance in the 2009 N.C. State Fair Premium List.

FEES

Entry fees are required for all entries in the senior and open classes of the Livestock Division. *Entries exclusively in the junior livestock shows are not subject to fees.*

All applicants for entries must be noted on the entry form, AND REMITTANCES FOR SAME MUST ACCOMPANY THE ENTRY APPLICATION FORM. Reservations will not be made unless accompanied by the required fee and REMEMBER: THE RIGHT IS RESERVED TO REJECT ENTRIES AFTER ALL AVAILABLE SPACE IS TAKEN. ENTRIES WILL BE ACCEPTED IN THE ORDER RECEIVED.

Be sure to indicate on the form the total number of animals you will be bringing and pay for up to two (2) additional spaces for tack and feed. Include remittances for these extra stall spaces or pens you will require, as well as for those actually required for the animals you will exhibit in the competitive classes.

Animals duly entered in the show which will be exhibited competitively in the show ring will have priority on stall and pen space; thereafter, should additional space be available, display animals will be assigned stall or pen space.

The following fees will govern:

Cattle - per head	$5.00
Swine - per head	$2.00
Sheep - per head	$2.00
Cattle (pen of 3) Feeder Calves	$7.00
Individual feeder Calf	$5.00
Goats per head	$5.00

No pen fees for Junior Entries

ALL LIVESTOCK WILL BE REQUIRED TO HAVE AN ENTRANCE HEALTH EXAMINATION AT TIME OF CHECK IN AS A PREREQUISITE FOR ENTRY ONTO THE FAIRGROUNDS. All livestock except Poultry and Horses will require a National Premise ID prior to showing at the State Fair. *No exceptions.* For those exhibitors showing multiple species only one premise ID is needed if on the same farm. EXHIBITS AND EXHIBITORS

Only vehicles operated by the Fair management will be allowed in the barn area.

The Fair management will use diligence to ensure the safety of livestock entered for exhibition or display, but under no circumstances will it be responsible for loss, injury, theft or damage by fire, lightning, wind, or any other agency, to such livestock on exhibition or display.

All livestock on exhibition must be cared for by the exhibitor (except entries in Special Junior Dairy Cattle Exhibits). All stalls and pens (except entries in Special Exhibits) will be well bedded one time by the Fair, free of charge. Thereafter, exhibitors will be required to furnish their own bedding.

The Fair reserves the right to discriminate against both excessive obesity, which cannot be a profitable condition for breeding animals and excessive leanness, in which conditions are unfit for exhibition.

No barren animals will be eligible in breeding classes. An affidavit that an animal is a breeder must be furnished on request.

All cattle must be halter-broken. Boars over one year of age must have their tusks removed.

A great educational feature of the Fair is the exhibitions and parades of approved livestock by breeds and ages. Exhibitors refusing for any cause not meeting with the approval of the management to lead out animals for parade will not only forfeit all premiums won, but will be barred from further participation in the Fair, and will be required to remove their stock from the Fairgrounds within six hours after such refusal, and will forfeit any fees paid.

Misrepresentation as to breeding and irregularity in showing will be exposed and any premium won by such exhibitor will be withheld. Certificates of registration must be shown on demand of the Livestock Superintendent.

Any artificial means of removing or remedying physical defects or conformation in exhibition animals, including the use of steroids and other drugs, as well as lifting, dyeing or filling under the skin, will be considered fraud and deception. The North Carolina State Fair Management reserves the right to test the grand and reserve champion barrow, steer, and wether, and to conduct other random testing as deemed appropriate. The grand and reserve champions may be sampled at the fair. Exhibitors involved in any such treatment will be barred from exhibition at this Fair, and all Fairs holding membership in the International Association of Fairs and Exposition will be notified.

Exhibitors must keep the space in the rear of their stalls or pens, and the alleyways in the exhibition halls, clear and clean. All litter must be deposited where directed by the Superintendent of Directors.

Animals must be transported to and from the Fairgrounds at the expense of the exhibitor, except for some Junior Exhibitors. The Fair management will not pay any charges for express, freight, or drayage.

Exhibitors are responsible for ascertaining when their stock will be judged. Animals must be in the show ring promptly after being called. Exhibitors failing to comply with this rule may have their animals excluded from competition.

Exhibitors are not allowed to make substitutions between breeds. One substitution may be made within the breed.

JUDGES AND AWARDS

NO EXHIBITOR MAY RECEIVE MORE THAN TWO PREMIUM MONIES IN ANY ONE CLASS. However, ribbons will be awarded exactly as the animals are placed by the judge. EXAMPLE: An exhibitor makes three entries in a class, and his animals place “First”, “Second” and “Third”. He would receive only the first and second premium monies, but all three ribbons. Then, the owner of the animal placing “Fourth” would receive the third-place premium money and the fourth-place ribbon; and so on down the line.

The decision of the judges will be final, and no appeal will be considered except in the case of protest. The rules of the International Association of Fairs and Expositions govern appeals at the North Carolina State Fair. Protests must be in writing and filed with the General Livestock Director by noon of the day following the award, accompanied by a protest fee of $5.00 which will be retained by the fair if the protest is not sustained by an impartial protest committee appointed by the General Livestock Director. No unworthy animal will be awarded a premium. Where there are fewer animals shown in the class than the number of premiums offered, the judge may, at his/her discretion, award a prize or prizes of such grade as the animal or animals deserve.

Where there is only one entry in a class, second premium will be awarded unless in the opinion of the judge the animal is sufficiently meritorious as to justify the full award as provided for.

HERDSMEN'S CONTESTS

Special prizes will be awarded in contests for herdsmen, shepherd and caretakers of animals in some livestock departments. All herdsmen will automatically be considered entrants and no special entry is required. Judges will be assigned by the Livestock Director. **The contests will start at a time designated by each Department.** The following score card will serve as the basis for the judges in the Herdsmen's contest making their decisions.

IAFE

(INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS)

CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE Code of Show Ring Ethics", fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1) All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2) Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3) Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4) Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of, consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

   If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory, to which it is sent, is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

   At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.
5) Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6) The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7) Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8) No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule

shall subject such individual to disciplinary action.

9) The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10) The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including *Fairs and Expos* and any special notices to members.

11) The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

LIVESTOCK HALL OF FAME

The Livestock Advisory Board has approved the creation of the North Carolina State Fair Livestock Hall of Fame to recognize and honor outstanding supporters of the Fair. Individuals will be inducted each year, beginning with an inaugural ceremony during the 1980 Fair, based on their activities supporting the Fair and their length of service.

Candidates for induction can be producers of livestock that have exhibited and promoted livestock shows at the fair, or a person who has served as a fair employee, representative of business, extension workers and others from agricultural organizations. Their contributions have occurred in the past as well as the present, and deceased nominees will be considered.

Pictures of the inductees will be framed and displayed in the Jim Graham Building

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Livestock Division and the General Rules and Regulations of the Fair will govern this department. BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT. Some - but not all - are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this Department.

MAKE YOUR ENTRIES EARLY!! The right is reserved to reject entries received after all available space is taken and after the closing date.

Official printed forms must be used in making application for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for making entries in other departments and separate forms for the Junior and Senior Shows. *Be sure to fill in the application form completely, accurately, and legibly.* Give your rural route number, post office box number, or city street address, zip code, social security or federal ID number. **Entries in Open Show must be made in the name of the owner as recorded on registration certificate.**

Exhibitors are not allowed to make substitutions between breeds. Two substitutions per exhibitor may be made within a breed.

Indicate on the form the total number of animals you will exhibit, and the total number of stall spaces you will require, *including those to be used for gear, feed and bedding.* No fee is required for entries exclusively in the Junior Show. Junior entries wishing to show in the open show will be required to pay stall fee in accordance with open show registration. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List the class number, as indicated in the premium list, for which each entry is made. *Use a separate line for each animal.*

List, also, on the application form the name and registry number of each animal entered, its date of birth , and its sex. Bring your registration certificates to the Fair; they must be shown at any time if requested by the Superintendent. Registration papers will be required at the time of show of all group classes.

All animals must be registered with their respective breed associations in the name of the bona fide owner and breed percentages must conform to National show standards.

In breeding classes, to be eligible to show, all cows 36 month of age or older must have produced a calf carried to maturity within the last 12 months prior to the opening date of the Fair. In case the exhibitor, upon demand of the superintendent, cannot verify by affidavit or registration certificate the facts of the above requirements, the animal will be excluded from competition.

In making awards in the breeding classes, the judge will lay much stress on the evidence of superior breeding qualities. When animals show evidence of being "overdone" (overloaded with flesh) they will be discriminated against accordingly.

FEES

Entry fees are required for all entries in the senior and open classes of the livestock Division. *Entries exclusively in the junior livestock shows are not subject to fees.*

All applicants for entries must be noted on the entry form, AND REMITTANCES FOR SAME MUST ACCOMPANY THE ENTRY APPLICATION FORM. Reservations will not be made unless accompanied by the required fee and REMEMBER: THE RIGHT IS RESERVED TO REJECT ENTRIES AFTER ALL AVAILABLE SPACE IS TAKEN. ENTRIES WILL BE ACCEPTED IN THE ORDER RECEIVED.

Be sure to indicate on the form the total number of animals you will be bringing and pay for additional spaces for tack and feed. Include remittances for these extra stall spaces you will require, as well as for those actually required for the animals you will exhibit in the competitive classes.

Animals duly entered in the show which will be exhibited competitively in the show ring will have priority on stall space; thereafter, should additional space be available, display animals will be assigned stall space.

Mail entries, make check for stall fees payable to, and address requests for additional application forms and further information to N.C. STATE FAIR, 1010 Mail Service Center, Raleigh, N.C. 27699-1010.

HERDSMEN'S CONTEST

All herdsmen in charge of dairy animals entered in the Senior "Open" Show will automatically be considered entrants in this contest, designed to promote neatness, courtesy, attention to show requirements, and all around efficiency on the part of personnel in charge of animals on exhibit. The contest will start Thursday, October 23 at noon and will continue until noon Sunday, October 26 at which time the winners will be announced. The score card which will serve as the basis for the judges making their decision will be found under the General Rules and Regulations of the Livestock Division.

HEALTH REGULATIONS

Health regulations of the Veterinary Division of the N.C. Department of Agriculture will be strictly enforced. BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION" before entering or competing in this department.

Every precaution should be taken on the part of the exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All trucks used for transportation of cattle to the Fair should be thoroughly cleaned and disinfected before use. Vehicles regularly used for the transportation of animals are considered "exposed" premises under the health regulations of the Veterinary Division.

MILKING FACILITIES

Facilities for milking will be available for exhibitors with lactating cows. Exhibitors are encouraged to use these facilities and avoid milking cattle in open pails in the barn. **Anyone caught adding milk containing antibiotics to the bulk tank will have premiums withheld.** The facility will open Wednesday, October 22, at 6:00 p.m. and will close Monday, October 27, at 8:00 a.m.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Livestock Division and the General Rules and Regulations of the Fair will govern this department. BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT. Some - but not all - are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this Department.

MAKE YOUR ENTRIES EARLY!! THE RIGHT IS RESERVED AND WILL BE USED TO REJECT ENTRIES OR PART OF ENTRIES RECEIVED AFTER ALL AVAILABLE SPACE IS TAKEN.

Official printed forms must be used in making application for entry. Two will be found in the back of this book. Additional copies are available upon request. **Use separate forms for making entries in other departments.** *Be sure to fill in the application form completely, accurately, and legibly.* Give your rural route number, post office number, or city street address and zip code.

Indicate on the form the total number of animals you will exhibit, and the total number of stall spaces you will require, including those to be used for gear, feed and bedding (no more than 2 for tack). Payment of a fee of $5.00 for each space requested must accompany your application. Due to space limitations, a maximum of 15 spaces will be allotted to any exhibitor.

ALL NURSE COWS HAVE BEEN RULED OUT and will not be allowed on the fairgrounds.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the championship classes. *Use a separate line for each animal.* Indicate if you plan to make entries in the group classes, and name the animals which will make up your group entries. Entries in the group classes must have previously been exhibited in the individual classes.

List, also, on the application form the name registry number of each animal entered, its date of birth, its sex, the names and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair. Animals without original registration certificates will not be eligible to show. **No photo copies will be accepted.**

All animals over six months of age must be registered with their respective breed association in the name of the bona fide owner, who must have owned the animal for at least 30 days prior to the date of the show. No Exhibitor may win more than two premium monies in any one class.

Failure to properly display exhibitor/entry number during show will constitute forfeiture of premiums.

Health regulations of the Veterinary Division of the N.C. Department of Agriculture will be strictly enforced. BE SURE TO READ THESE UNDER “RULES AND REGULATIONS OF THE LIVESTOCK DIVISION” before entering or competing in this department.

Every precaution should be taken on the part of exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All cars and trucks used for transportation of animals are considered “exposed premises” under the health regulations of the Veterinarian Division.

First place winners in individual classes are eligible to compete for Championship awards. Other first place winners in individual classes, plus the second place winner in the individual class which produced the Champion, will be eligible to compete for Reserve Championship awards.

A breed must have more than 30 head shown in the individual classes to maintain a show.

If a breed drops below 30 head in the show, it will automatically be placed on a one-year probation. If the breed falls below 30 head two consecutive years, the show

will be dropped.

For a breed to start a new show, the application must be made to the State Fair General Livestock Director along with assurance of at least 30 head by December 1 preceding the date of the proposed show. An official show classification from the breed registry must also accompany all requests.

All breeds desiring a live animal display will make the request in writing to the State Fair General Livestock Director by September 1. Regular breeding cattle tie spaces will be assigned by the beef superintendent not to exceed 8 tie spaces including tack. The display cattle will be subject to the same rules and regulations as the open show entries.

Official Breed representatives are encouraged to attend the show and check animals to be shown. However, they must complete their duties and inform the Livestock Office 20 hours prior to show time or no later than 4 p.m. the day preceding their respective show whichever is greater.

Maximum number of placements used to determine winner shall be limited to 5. (In case of tie, group class placements will be used to determine the winner).

GROUND RULE

In our Standard Show Classification only the Premier Breeders Class specifies "owned by the exhibitor." The other group classes need not be owned by exhibitor, therefore cannot be used to break ties.

To correct the possibility of a tie for Premier Exhibitor Class, where a tie exists through 5 placements, and neither exhibitor has an entry in the Premier Breeder Class, additional placements (beyond the stated 5 limitation) in the individual classes will be used, but only to the point where the tie is broken.

JIMMY SMITH MEMORIAL AWARD

The N.C. Simmental Association will be presenting an award to an outstanding Simmental exhibitor in the Junior Beef Heifer Show in memory of the late Jimmy Smith of Cove City. Jimmy Smith was a strong supporter of the Junior Beef Heifer Show by providing heifers for many urban and rural youth to show, and providing guidance both inside and outside the show ring. A belt buckle will be awarded to a Junior Simmental exhibitor that shows good sportsmanship, leadership and good conduct throughout the Junior Show weekend. Assisting other exhibitors, helping to keep the barn clean and promoting agriculture will be taken into account by the selection committee. This award will be determined by a committee assigned by the N.C. Simmental Association, and will be presented during the Junior Simmental Show.

MILEAGE PAYMENTS

The State Fair Management will pay mileage compensation for animals exhibited in the Junior Heifer Show as outlined here. Payment will be made for each animal based on the distance (one-way) between the county seat of the county involved and Raleigh. For computing mileage, the official Highway Map issued by the State Department of Transportation will be used. Payments will be made on the basis of $.50 per animal, per mile.
MILEAGE $0.50

SHOWMANSHIP AWARD

The objective of the Showmanship Award is to provide recognition to youth that have developed proper showmanship skills through work with their livestock projects. These skills will be evaluated separately from the quality of the animal shown while the youth exhibit an animal in the Junior Market Steer and Junior Heifer Shows. The showmanship judge, a second official, will select the youth solely on their showmanship ability.

Youth are automatically entered into this showmanship competition. Youth must exhibit the animal they entered to be fully eligible for the award. Youth that show for another exhibitor will **NOT** be eligible.

Recipients of the Showmanship Pin will be recognized at the conclusion of each class. A Beef Showmanship pin will be provided by the NC State Fair to each exhibitor honored. Youth may be recognized in more than one class if circumstances merit the award.

Youth to be recognized will not be a set number. No minimum or maximum quotas exist. The showmanship judge will simply recognize all youth that are deserving of the Showmanship Pin. Only exhibitors receiving the Showmanship Pin may compete in the Showmanship Champion classes.

Senator James D. Speed Achievement Award

An award will be presented to a deserving Junior Beef exhibitor ages 14-18 years old, in the Jr. Market Steer &/or Jr. Heifer competition. During his 32 years in the NC General Assembly as a Senator, James Speed's hard work and dedication was evident in promoting agricultural interest in North Carolina. To recognize him for all he has done for NC farmers and being a cattleman himself, the Franklin Co. Cattlemen's Association is honoring him with an Achievement Award in his name: A $500 US Treasury Savings Bond will be presented to a deserving youth in his honor.

Selection criteria include strong leadership skills, integrity, good sportsmanship, goal oriented, and promoting today's agricultural industry. This award will be determined by a committee assigned by the Franklin County Cattlemen's Association and will be presented during the NC State Fair. To be considered for this award, download and complete the application at http://franklin.ces.ncsu.edu or call 919 496-3344. JR. SHEEP SHOWMANSHIP CONTEST

The objective of the Showmanship Pin is to provide recognition to young people who have developed proper showmanship skills while working on their livestock projects. These skills will be evaluated separately from the quality of the animal shown, and will be judged while the youth exhibits an animal in the Junior Market Lamb or Junior Ewe show.

Exhibitors are automatically entered into this showmanship competition. Exhibitors must be showing animals they entered to be eligible for the award. Youth that show for another exhibitor will not be eligible.

Recipients of the Showmanship Pin will be recognized at the conclusion of each class. Youth may be recognized in more than one class if circumstances merit the award.

There will not be a set number of youth recognized. In other words, no minimum or maximum quotas exist. The Judge will simply recognize all youth that are deserving of the Showmanship Pin.

During the Junior Market Lamb and Jr. Ewe Show a judge will be judging exhibitors solely on showmanship ability. Those exhibitors that receive a Showmanship Pin are eligible for the Showmanship Champion Contest on Saturday, 8:00 a.m. Exposition Center Show Ring. Classes will be as follows:

NC301 Novice 8 and under
NC302 Junior 9 to 13
NC303 Senior 14 to 18
NC304 Senior Plus 19 to 21.

Ages are determined the same as for showing at the Fair. Exhibitors must show the animal for which they received the Showmanship Pin.

Each exhibitor in the Showmanship Champion Contest on Saturday will receive a $25 premium. The Champion Showman in each age division will receive a $100 premium. **Exhibitors MUST COMPETE in the Showmanship Champion Contest to receive any showmanship premiums.**

JUNIOR SHEPHERD'S CONTEST

Up to five equal awards ($20) will be presented to the top placing individuals in the Junior Shepherd's Contest. All junior sheep exhibitors are automatically considered to be entrants in this contest designed to promote neatness, courtesy, attention to show requirements, and all around efficiency on the part of personnel in charge of the animals on exhibit. The contest will start at 4:00 p.m., October 16, 2008 and will continue through 5:00 p.m., October 18, 2008. Refer to Herdsmen's Contest" section of the General Rules and Regulations of the Livestock Division. Signs that clearly indicate where the sheep are from and who is exhibiting them are recommended, as are other decorations or educational exhibits that will interest the general public. Using a pen for equipment/feed disqualifies contestants because all pens are intended to have sheep in them.

Sponsored by the North Carolina Sheep Producers Association to recognize N.C. Bred and Born market lambs. To be eligible, the producer of the lamb must be a resident of North Carolina and a member of NCSPA in good standing as of September 15, 2008. The lamb must be born in North Carolina from a ewe that was bred in North Carolina. Proof of eligibility must accompany entry and can be a signed statement from the producer and written on entry form "N.C. Bred and Born".

A pin with an attached ribbon will be presented to the top placing North Carolina Bred and Born wether from each class. If presented with this award, please bring

your wether to the holding area during the selection of *Grand Champion and Reserve Grand Champion* wether. If a youth has two wethers eligible, please check with the market lamb superintendent for approval for another youth to show the second wether. If the *Grand Champion or Reserve Grand Champion* wether is North Carolina Born and Bred, they will automatically win. If not, the other wethers that received the award will then enter the ring and the judge will select a North Carolina Bred and Born Grand and Reserve Grand Champion wether from that group.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the Rules and Regulations of the Livestock Division, and the General Rules and Regulations of the Fair will govern this department. BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT. Some — but not all — are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject applications received after all available space is taken.
Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments—including Department S-1 - Junior Ewe Show.

BE SURE TO FILL IN THE APPLICATION FORM COMPLETELY, ACCURATELY AND LEGIBLY. Give your rural route number, post office box number, or city street address, and zip code and telephone number. Be sure to include exhibitor Social Security Number or Federal Tax ID Number.

Indicate on the form the total number of animals you will exhibit. Payment of $2.00 per animal entered must accompany your application. Pen space will be assigned by the Superintendent. Please indicate on entry form if your animals need to be penned adjacent to another exhibitor.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the Championship classes. Indicate if you plan to make entries in the flock classes, but it is not necessary to name the animals which will make up your flock entry until after the judging of the individual classes. Entries in flock classes must have previously been exhibited in the individual classes.

Substitutions will be accepted for animals within the same class only. Substitution can be made only in the name of the original owner-exhibitor as listed in the entry catalog. No additional entries will be accepted after entries have closed.

All animals over three (3) months of age if entered as purebred must be registered with their breed association in the name of the bona fide owner, who must have owned the animal for at least 30 days prior to October 1, 2008. Cross bred animals must be entered in the name of the bona fide owner who must be able to show proof of ownership for at least 30 days prior to October 1, 2008. Registered animals for which no registration papers are furnished will be shown as commercial.

NOTE: Fleece class is NOT a "FLOCK" class. Entry fee of $2.00 will be charged per animal and entry must be listed with usual information on the entry form.
Fleece classes are open to yearling rams, ram lambs, ewes and wethers of any age.

List on the application form the registry number, date of birth, sex and number of each animal shown as purebred. Registration papers will be checked prior to the show. Age of purebred ewes may be obtained from registration certificates. Commercial ewes will be mouthed at check in. All junior lambs must have all temporary teeth in place at the time of the show. Commercial yearling ewes which have shed their second pair of temporary teeth will be shown subject to approval of the Superintendent. Superintendent will rule on all other questions regarding age.

ALL SHEEP MUST BE CLEAN AND PROPERLY FITTED TO QUALIFY FOR ENTRY IN THIS SHOW.

No exhibitor may win more than two premium monies in any one class.
Each exhibitor will be limited to one entry in each of the group classes.
Only one person per sheep is permitted in the show ring except in the exhibition of yearling, fall lambs and group classes.

The health regulations of the Veterinary Division of the NCDA will be strictly enforced. **Be sure to read these under "Rules and Regulations of the Livestock Division" before entering**. Any questionable health problems will be referred to the livestock director and/or the State Veterinarian. Animals with obvious abscesses (opened or unopened), ringworm, soremouth or any other contagious disease **WILL NOT BE ALLOWED IN THE BARN**. **All sheep must be appropriately identified and comply with USDA and NCDA&CS Scrapie Eradication Program guidelines. SUPER SHOWPERSON AWARD

The objective of the sheep Super Showperson Award is to provide recognition to youth that have developed proper showmanship skills through work with their livestock projects. These skills will be evaluated separately from the quality of the animal shown while the youth exhibits an animal in the Junior Ewe (Wool Breeds) show. The judge will select the youth(s) solely on their showmanship ability.

Youth are automatically entered into this showmanship competition.

Youth must exhibit the animal they entered to be fully eligible for the award. Youth that show for another exhibitor will NOT be eligible.

Recipients of the Super Showperson Award will be recognized at the conclusion of each class. A one time monetary award of $25 (in combination if also showing in Jr. Mkt. Lamb and Jr. Ewe Show) and a Super Showperson pin will be provided by the NC State Fair to each exhibitor honored. Youth may be recognized in more than one class if circumstances merit the award. More than one youth may be recognized in each class.

SHOWMANSHIP $25 (and Pin)

NORTH CAROLINA BORN & BRED AWARDS

Champion and Reserve Champion North Carolina Born & Bred Awards will be given to the highest placing qualified ewes in the junior show. To be considered, a statement at nomination for this award must accompany the entry form and must be signed by the breeder of the ewe.

MILEAGE PAYMENTS

The State Fair Management will pay mileage for animals exhibited in the Junior Ewe Wool Breeds Show as outlined here. Payment will be made for each animal based on the distance (one way) between the county seat of the county involved and Raleigh. For computing mileage, the official highway map issued by the State Department of Transportation will be used. Payment will be made on the basis of $.30 per animal per mile.

RULES AND REGULATIONS

(See Poultry Exhibitors Certificate in the Back of this Book)

Except in cases of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. BE SURE TO READ THESE IN THE FRONT OF THE BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT. Some - but not all - are repeated here for emphasis, and other of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request or online at www.ncstatefair.org under the competitions tab. Use separate forms for entries in other departments of the FAIR. *Be sure to fill out the application form completely, accurately and legibly.* Give your rural route number, post office box number or city street address, zip code, amd telephone number. Social Security numbers are REQUIRED for all exhibitors in order for premium monies to be awarded.

In filling out the form, in the first column write the section number; in the second column write the Department letter and class number; in the third column write in the breed description exactly as it appears in the catalog. An example - Section 101, Q0004, Barred-Plymouth Rock pullet. Next enter age and sex (Cock, Hen, Cockerel or Pullet). In the column headed: "Leg Band No." BE SURE TO LIST THIS EXACTLY AS THE BIRD WILL BE BANDED WHEN BROUGHT TO THE FAIR. Important: LIST ONLY ONE BIRD ON EACH LINE OF THE APPLICATION FORM. Space cannot be reserved until receipt of the coop fee, and, remember: The right is reserved to reject entries after all available space is taken. A coop fee of $2.00 for each bird exhibited must accompany your application form.

All birds must be entered in the name of the bona fide owner, who must have owned the birds for at least 60 days before the closing date for entries. Owners and breeders must maintain a breeding establishment sufficient to raise the birds so exhibited.

All birds are entered at the risk of the owner, and the State Fair management will not be responsible for any loss or damage, but will exercise all possible vigilance in the care of exhibits. No one will be allowed to handle fowl on display except the owners and officials of the show, without permission of the directors. The right is reserved to coop two or more birds of the same variety, and belonging to the same person, together if absolutely necessary. In no case will two male birds be placed in the same coop.

The American Standard of Perfection will be the guide of the judges in awarding premium. The premiums will be paid only on standard varieties listed in this catalog, and then only to worthy specimens. To win first premium, a bird must score at least 88 points; for second premium, 87 points. For less than 87 points, third and fourth prizes will be awarded.

The decision of the judges will be final. Protest will be entertained only when addressed to the Division Director of the Division III by noon of the day following the

award, and then only when accompanied by a protest fee of $5.00. Basis for protest: (1) Placing a disqualified bird; (2) Fraud; and (3) Clerical error. This fee will be forfeited unless protest is sustained by a majority of the judging staff and officials of the show.

After the judging, the management will endeavor to place on the coops any advertising material supplied by the exhibitor for his coop.

Mail entries, make checks for coop fees payable to, and address requests for additional entry application forms and further information, to N.C. STATE FAIR, 1010 Mail Service Center, Raleigh, NC 27699-1010

POULTRY

All poultry exhibited at the North Carolina State Fair shall have been in the possession of the exhibitor for sixty days or more prior to the date of the Fair. Exhibitors will fill out the "Poultry Exhibitor Certificate" in the back of this book.

All chickens and turkeys for exhibition at the Fair will originate from U.S. Pullorum-Typhoid Clean or equivalent flocks or have a negative pullorum-typhoid test within 90 days of admission to the Fair. The test requirements may be satisfied by a negative test conducted by an official state tester at the time the birds are brought to the Fair. The fee for pullorum-typhoid testing at the fairgrounds will be eight cents per bird, with a minimum fee of $1.00 per exhibitor.

No poultry shall have received a live virus vaccine within 45 days prior to entering the Fair. It is recommended that all birds be vaccinated for laryngotracheitis with a modified live virus vaccine at least 45 days and not more than one year before the show.

All chickens and turkeys must be identified with numbered tamper-proof bands. Bands placed on birds tested at the fairground by state testers will satisfy this requirement. Poultry entered at the Fair are subject to examination (including blood test and swabs by a representative of the North Carolina Department of Agriculture.) **Birds will not be accepted which are infected with or showing any clinical signs of an infectious or communicable disease, or are infested with lice and/or mites.**

Coops used in transporting live birds to the fair shall not be allowed inside the exhibit building.

Out-of-State birds will not be admitted this year.

YOUTH CLASS

Youth exhibitors must be the bona fide owner and able to carry their rabbits to and from the judging table.

If they desire, Junior Exhibitors under age 18, may designate that their entries be judged in the Youth Show instead of the Open Show. The rules and regulations, entry fees and awards are the same for both classes. It is against American Rabbit Breeders Association Rules to enter rabbits in any Youth Show and also be in Open Show competition in the same show. However, youth can make entries in both Open and Youth with *different* rabbits. **IF YOU WANT YOUR ENTRY JUDGED IN THE YOUTH SHOW PLEASE MAKE THIS REQUEST ON YOUR ENTRY FORM, BY USING DEPARTMENT "S". ALSO PRINT YOUTH AND YOUR AGE ON THE ENTRY FORM. OTHERWISE, IT WILL BE JUDGED IN THE OPEN SHOW COMPETITION.**
The youth show will be judged on Thursday, October 16, 2008.

The Folk Festival was established in 1948 to preserve and promote the music and dance of the North Carolina's early years and to provide wholesome entertainment for visitors to the Fair.

The Festival presents the traditional music and dance of our state as it is performed by amateurs who have grown up in the rich heritage of our folk arts. Commercial, professional or secretarian performances are not appropriate.

To be eligible for prizes, performers must have proper entry form post-marked by the closing date listed above. Properly entered contestants will have priority on the limited program time.

The Fair will provide an experienced band to accompany performers in their vocal and dance entries as needed. CD's and tapes may be used in categories not requiring the use of the Folk Festival Band. ***When using CD's and tapes, you are responsible for having them pre-set to correct speed and starting place for your performance before you are to go on stage for each show.*** Set-up time for performing bands is very limited and is to be approved in advance by the Superintendent.

When multiple categories are entered by a group or an individual, the "Max" time listed for each category may be reduced and will be determined by the number of categories entered and at the discretion of the Superintendent with a Max time of 15 minutes. **Exceeding your time limit will result in a reduction of points in score by the judges. Inappropriate music and dress will result in disqualification by the executive staff after the first show.**

Contestants should register for one day only, show times are at 10:00 a.m. and 2:00 p.m. each day, and all entries are expected for both shows on your entry date.

Judging takes place at all shows and the decision of the judges is final. Winners will be notified and premiums mailed after the Fair is over. Six factors are considered in scoring: sportsmanship, showmanship, appearance, skill, enthusiasm, time.

Winners list will be posted on the internet within 23 days after the fair has ended. Please do not call or come by fairgrounds for information. Ribbons and plaques will begin going out Wednesday after the fair.

Designed to promote interest among young Tar Heels in the skilled construction trades, the North Carolina Apprentice Bricklaying and Blocklaying Contest has become a popular annual event at the State Fair since the first such competition was held in 1954. About 30 apprentices usually match their skills in the contest, according to the records of the last few years.

The masonry contest dramatizes a program which the State has sponsored through the past five decades since the Apprenticeship law was enacted by the General Assembly in 1939. Offering young people of the State an opportunity to acquire skill and proficiency in any of the skilled trades, the Apprenticeship Program has turned out thousands of skilled workers. At present, approximately 20,000 people are receiving apprenticeship training on the job under the direction of journeymen, supplemented by related classroom instruction. The apprentice “earns while he learns.”

DESIGN—For an entry to score well in design it should reveal why wood is the best material from which to make it. Thus, the strength, direction of grain, expansion and contraction tendency, color and weathering capabilities are to be thoughtfully considered. Use of precious, fine wood is to be rewarded because it shows a commitment to your idea. Low grade wood for fine projects is less rewarded.
CRAFTSMANSHIP FIT—Tight joinery using fundamentally sound construction is highly rewarded; mechanical fasteners are less rewarded.
