SUPERINTENDENT

MISS STACY McCORQUODALE
OFFICE SECRETARY

BRUNSWICK COUNTY
PUBLIC SCHOOLS
SOUTHPORT, N. C.

July 22, 1926.

Mr. W. F. Credle,
Supervisor Rosenwald Fund,
Raleigh, N. C.

Dear Mr. Credle:

I was in consultation with the School Committee of a negro school in the lower section of this County Yesterday. This conference was particularly with reference to the construction of a two room school building.

In the Spring the school committee of this District requested an apporation of $200. to apply on the construction of this building. This request was approved by the Commissioners and the maximum amount that we can use in this proposition this year is $200. The Committee had in mind origionally the construction of an ordinary ell-shape building of two rooms, the least expensive that they could possibly construct. I have talked with them about constructing a building under plan 2-c of Community Schools Plans. I told them yesterday that it was very probable that we could get $700.00 on this proposition if they could possibly raise funds, or secure free labor to take care of the difference in the $700. and the $200. mentioned above and the total cost of the building. They are of the opinion that they can do this provided they are able to get the $700. from the Rosenwald Fund. They are anxious to get this better grade of building if possible

Yes, but $900.00 won't bind a house. W.F.C.

The purpose of this letter is to ascertain whether you can guarantee the $700. to the School, provided the school is built in accordance with above named plans.

I promised them that I would take this matter up with you and immediately upon receipt of your reply would let them know.

Yours very truly,

B. R. Page

B. R. Page, Supt.,

Brunswick County Schools,
