Mr. G. H. Ferguson,
Dept. of Education,
Raleigh, N. C.

My dear Mr. Ferguson:

I wrote to all of you rather hurriedly the other day, but, as I had not settled down, I said very little. After I finished registering today I went to Nashville and rented me a typewriter. I am enclosing a copy of my first letter, which, I trust, will prove of interest to you. Really, I have a very full course, but one that will be very helpful, I think.

If you will ask one of the force to send me a little stationery, a half dozen or so manilla envelopes, and some letter size envelopes(long ones), I shall greatly appreciate it. A few stamps would not be bad.

I was greatly disappointed when I woke up at eight o'clock and found that we had passed Salisbury. I do not understand how I came to sleep later than five.

How is the work going? Any thing requiring an expression from me will be attended to as early after it is received as possible.

With good wishes to all of you, I am,

Very sincerely,
