

PhC.185	Wake County School Photograph Collection	<p>Black and white prints of various sizes depicting young school children from a variety of Wake County schools (mostly elementary schools) both in and out of the classroom, many special programs and displays, group shots, white and African-American children, c.1920's. Most of the images are neither dated nor credited; however, Denmark Studio appears as the photographer in a few and one print is dated 1929. Donated by Karl Larson of Raleigh, NC, who obtained them from a Wake County Schools employee, Julia Demaree, c.1978.</p>	<p>28 large (~8"x10") back and white prints; 60 cardboard or paper album pages (~11"x14" most containing multiple small black and white prints); and several small loose black and white snapshots</p>
