The 1977 Premium Book is dedicated to the Memory of George P. Kittrell

North Carolina lost one of its most outstanding agricultural leaders last year with the death of George P. Kittrell. Mr. Kittrell served with distinction and dedication on the State Board of Agriculture from 1953 until his death.

Mr. Kittrell represented the swine industry on the Board and made untold contributions to the betterment of this industry through his service. He served in this capacity during a critical time, particularly in the area of animal health. His perseverance and support of the N. C. Department of Agriculture saw the eradication of hog cholera and brucellosis in the state.

Always a friend of the State Fair, George Kittrell was truly a great North Carolinian.

JAMES B. HUNT, JR
GOVERNOR

March 1, 1977

Dear Friends:

I take great pleasure in welcoming you to the one hundred and tenth North Carolina State Fair! Ever since I was a small boy on a farm in Rock Ridge, the coming of autumn and the State Fair has been an exciting time to me. Every year the fair is bigger, more exciting, and more educational than the last.

This year the fair promises to be the best ever. There will be many exhibits and shows celebrating the contributions of agriculture in our fair state. There will also be hundreds of other fine exhibits that demonstrate the variety of achievements North Carolina's people are making in so many areas.

I hope you will enjoy your visit to the State Fair.

Sincerely,

A large, handwritten signature in black ink, appearing to read "J. B. Hunt". The signature is written in a cursive style with a long horizontal stroke at the end.

Entering more than 14,000 exhibits in the many areas of competition, craftsmanship, creativity and care you represent the very heart of North Carolina. You and your exhibits are major educational attractions to our Fair.

We are proud of our Fair, which is among the best in the nation, and appreciative of your contribution to its success.

Accept my personal thanks for your participation and best of luck in the competition.

See you at the Fair.

STATE FAIR HONORS . . .

HENRY GRAY SHELTON

GEORGE KITTRELL

The 1977 North Carolina State Fair is proud to honor two of its most loyal supporters, Henry Gray Shelton and George P. Kittrell.

Mr. Kittrell's untimely death in 1976 and Mr. Shelton's retirement from the Board have left a void which will be hard to replace on the North Carolina Board of Agriculture. These leaders have been an invaluable voice in shaping the policies of the North Carolina State Fair.

Both have contributed much to the continued success and improvement of the fair. Their behind-the-scenes counsel and guidance has left their mark on this institution.

We can all enjoy a better North Carolina State Fair because of these great North Carolinians.

AGRICULTURE DEPARTMENT MARKS 100th YEAR

(Excerpts from story by Elaine Matthews, NCDA)

In the spring of 1877 the N. C. General Assembly enacted legislation creating "a Department of Agriculture, Immigration and Statistics" to deal with problems of the State's agricultural economy which had been severely stricken by the Civil War and Reconstruction periods.

The law provided for a seven-member Board of Agriculture to supervise the department's activities. The board selected Anson County's Lenonidas Polk, who had been a moving spirit in the establishment of the NCDA, as its first commissioner. For an annual salary of \$3,000, Polk was charged with such duties as improving sheep husbandry, seeking causes of diseases among domestic animals, quarantining sick stock, regulating transportation of all animals, seeking to check insect ravages, fostering new crops in the state. In 1899 the legislature provided for election of a commissioner by the public who chose Samuel L. Patterson of Caldwell County.

NCDA's first official home was the second story of the Briggs Building on Fayetteville Street in downtown Raleigh. With the office staff came the entire State Museum and Geological Survey, whose care was transferred to the department in 1879. The Experiment Station, which had been created to analyze fertilizers, was connected with the University of North Carolina in Chapel Hill.

In 1881 the Board of Agriculture decided to bring all the divisions of the department together and bought the old National Hotel on Edenton Street at the present site of the Agriculture Building constructed in 1923 and annexed in 1954.

During its first 100 years the NCDA established and has constantly improved a wide variety of programs to promote and protect agricultural interests of the Tar Heel state:

- Because much deception and fraud were being practiced in the sale of fertilizers at the time the Department was established, one of its first responsibilities was fertilizer inspection and analysis.
- The actual analysis of fertilizers was to be carried out by the Experiment Station in Chapel Hill.
- As a result of legislation of 1851, a State Geologist was appointed by the Governor to retain samples of the minerals of the State. This collection formed the nucleus of the State Museum.
- Among the Department's earliest responsibilities were "investigations relative to the ravages of insects." Actually, pests did not pose much of a problem to North Carolina farmers until the mid 1890's when the forests were cut down, forcing the birds to leave.
- In 1887, the General Assembly had instructed the Board of Agriculture to "cooperate and aid in the formation of Farmers' Institutes in all the counties of the State." These institutes were the forerunners of the Agricultural Extension program in the state.
- The N. C. College of Agricultural and Mechanic Arts (now N. C. State University) was an offspring of the Department of Agriculture. In 1887 the Board began seeking donations for the establishment of an industrial college and looking for sites. A 3½-acre lot in the northwest part of Raleigh was purchased for \$2,100.

- Even though the original act establishing the Department of Agriculture called for animal health protection, it was 1898 before a State Veterinarian was appointed.
 - Under the first elected Commissioner, Samuel L. Patterson, the Department was given more regulatory duties, including the administration of the Pure Food Law, passed the the General Assembly in 1899. The purpose of this law was to prevent the adulteration and misbranding of food and drink for both humans and animals.
 - The first laws relating to petroleum products were passed in 1903, at which time heating oil, "Kerosene," was being used primarily for lighting. Some of this product contained such a large amount of sulphur that it was found to be a health hazard as well as causing deterioration of various fabrics and other materials.
By 1917 the Department was also given the responsibility of enforcing the Gasoline Law.
 - Seed testing actually began in the Botany Division in 1909. The original act establishing the Department had included the regulation of seed sales, and some testing of seeds had been conducted along with the testing of drinking water and plant and seed identification. However, the real emphasis on seed testing came in 1909 with the passage of the Seed Law.
 - The marketing service began in 1913 as the "Division of Cooperative Marketing." By 1924 Market News reported that the division had eight branches: livestock and poultry; fruits and vegetables; farm crops; statistical reports; market news service; rural organization; farm financing through cooperative banks; and a state warehouse system.
 - The need for communication between the Department of Agriculture and the agricultural public it served was evident from the beginning. In 1877, Commissioner Polk started a weekly farm paper called *The Farmer and Mechanic*. This paper eventually become independent and was replaced by *The Bulletin of the North Carolina Department of Agriculture*.
 - To protect the financial interests of cotton growers, the legislature of 1919 passed a law creating a state warehouse system. The system established a guarantee fund so that a warehouse receipt would be universally accepted as collateral.
 - The first State Fair, held in November, 1853, was sponsored by the State Agricultural Society. The site was about 10 blocks east of the Capitol in Raleigh. In 1873 the fair was moved to a 53-acre lot on Hillsboro Road, near the present Raleigh Little Theatre. The Society poured approximately \$50,000 into the development of the grounds.
- In all, the Agricultural Society sponsored the State Fair for 73 years, with interruptions during the Civil War and Reconstruction period. Among the most famous guests of the fair during the Society's sponsorship were Theodore Roosevelt in 1905 and William Jennings Bryan in 1907.
- By 1924, the Society asked for aid from the State and the City of Raleigh. A State Fair Board was appointed, and in a few years the fair was moved to its present site on the west side of Raleigh.
- In 1930 the State Fair was first placed under the Department's administration. For a few years the Department leased out the operation commercially, but in 1937, Commissioner Kerr Scott decided that the management should be directly under the Department. Dr. J. S. Dorton was chosen as manager, and the fair first began to show profits.

Information And General Rules For Exhibitors And Patrons

Exhibitors and patrons are sincerely requested to make constructive criticisms and offer helpful suggestions toward bettering any part or department of this, YOUR STATE FAIR.

Please report any discourtesies by gatemen, concessionaires, showmen, or others connected with the Fair. If, for any reason, there is a misunderstanding about admission at gates or elsewhere, please pay the admission price asked, take a receipt for same, and come directly to the Manager's office. Please do not block traffic and delay others by prolonged arguments with ticket-sellers, gatemen and ticket-takers who are working on strict orders from the management and are not allowed to vary from them.

Concessions and attractions are granted privileges on the grounds to supply the necessary wants, comforts, conveniences and pleasures of the patrons. The management will not accept or knowingly allow the continuance of any concession, show or other attraction of a questionable nature or a demoralizing tendency, nor will any concession be permitted where the business is conducted in other than a legitimate and legal manner.

Drunkenness, quarreling, or the use of profane or obscene language will not be allowed on the grounds. No begging will be permitted.

No peddling, hawking or selling of any kind will be allowed in the buildings or on the grounds except by special license obtained from the Manager.

All dining halls, lunch stands, refreshment booths, and other places dispensing food and beverage must be substantial in structure and neat in appearance. They must meet all health regulations and must sell only good, wholesome food and pure honest goods at reasonable prices which must be approved by the Fair management and displayed in a prominent place. No soft drinks may be sold in bottles.

Parties owning buildings upon the State Fair grounds must notify the manager thirty (30) days prior to the opening of the Fair as to whether they desire to occupy the same or not, and if so, make arrangements with the superintendent of the department for such occupancy. Failure to comply with the provisions of this rule will cause the forfeiture of the use of such building or buildings by the Fair management.

Any party or parties, firm or corporation owning buildings or material upon the State Fair grounds without lease, or whose lease has expired, who shall fail to remove same upon order of the Manager within the time specified, shall forfeit all claim thereto, and the Fair management may take charge of and remove same, charging expense attached thereto to the owner or owners thereof, which expense or claim must be paid before material is released to the owner.

The management of the State Fair reserves the right to amend, add to and interpret the foregoing and following Rules and Regulations, and to arbitrarily settle and determine all questions and differences in regard thereto, or otherwise arising out of, connected with, or incident to the Fair. In the event of conflict between the General Rules and the special rules which appear as headnotes of the various divisions and departments of the Fair, the latter will take precedence.

Disregard of any rule, or misrepresentation on the part of the exhibitor, concessionaire or patrons will forfeit all premiums won, privileges granted, fees paid, and rights to further participation in the Fair.

SERVICES

The Southern Bell Telephone Company will maintain complete service and toll stations at convenient points on the FAIRGROUNDS.

An Information Bureau and office for reporting and recovery of lost and found articles will be maintained on the State Fairgrounds. This service is free and will be cheerfully given. Please do not ask for the use of the Public Address System to locate "lost" persons except small children and in emergencies, or where school bus drivers and other group leaders desire to announce departure times.

An office for the use and convenience of representatives of the Press, and Radio and Television Stations, will be maintained with telephones, typewriters, and other facilities. It will be a pleasure to supply authentic information of news value about the Fair, including lists of premium awards. Arrangements may be made in advance for special Press, Radio and Television coverage of the Fair by competent trained personnel.

The American Red Cross will maintain an emergency hospital and first aid station at the *Lounge*, with trained attendants in charge from 11 a.m. to 11 p.m.

Adequate toilet facilities for men and women are maintained throughout the grounds. ATTENDANTS ARE NOT ALLOWED TO CHARGE FOR USE OF THESE FACILITIES.

In order for the State Fair to maintain a complete file of pictures for the use of Press and Television services, exhibitors and patrons are requested under no obligation to purchase pictures, but may arrange directly with the photographer for this service if they so desire.

The Fair will furnish free the original bedding for each stall and pen, but exhibitors are required to care for and feed their own animals and they must keep stall and pens clean and well bedded thereafter.

The State Fair will employ police, guards and traffic directors, and will use diligence to promote safety and protection of patrons, and their exhibits and property on the Fairgrounds. But, under no circumstances will the Fair or any of its officers and employees be responsible for loss or damage to persons and their property (including entries, exhibits, automobiles in parking lots, and articles left in cars) because of accidents, theft, fire, the elements, or other conditions.

Articles and animals shipped or mailed to the Fair for exhibit will be accepted only if ALL CHARGES ARE PREPAID. Be sure packages mailed or shipped are properly addressed in accordance with instructions for shipment listed later in this section under "Exhibits and Exhibitors."

INCOMING MAIL and parcels addressed to exhibitors, patrons, concessionaires and others connected with or attending the Fair should be called for at the Information office. No responsibility can be assumed for delivery. Sufficient electric light and power service will be furnished by the Fair to properly illuminate and service the exhibition buildings and grounds. Exhibitors and concessionaires requiring individual electric light and power service in their booths and stands of more than 30 amps 115-230 volts will need to make application through Administration Office. ONLY THE OFFICIAL STATE FAIR ELECTRICIANS MAY MAKE INSTALLATIONS AND CONNECTIONS. ELECTRICAL CHARGES WILL BE ESTIMATED.

Operators will supply wire from meter base to point of power supply.

Where outside wiring is necessary, a fixed charge of \$5.00 will be made for each 50 feet or fraction thereof for making connection. All materials must be supplied by the applicant.

If located inside of building where wiring exists, any additional labor or material must be paid for by the applicant.

No service will be given for less than minimum charge of \$5.00.

The current is alternating single phase, or 3-phase, 60 cycles, 120-220 volts.

ENTRIES

MAKE ALL ENTRIES EARLY!!! The right is reserved to reject any entry, and all entries received after all space is taken must be rejected.

You will find the **CLOSING DATES FOR ENTRIES** set out in the Rules and Regulations and the general headings of each of the various departments. These dates **VARY WITH THE SPECIAL REQUIREMENTS OF THE SPECIFIC DEPARTMENT.** Check these Closing Dates carefully.

SEPARATE ENTRY BLANKS are required for entries in each of the departments. Request the Entry Department supply you with an adequate number of entry blanks.

Competition is **OPEN TO THE WORLD** in the Rabbit Department, Poultry Department, Goats, Dairy Cattle Department, Beef Cattle Breeding Animal Department, in the Swine and Sheep Departments and the Horse

Show. Poultry entering the State for exhibition shall be accompanied by a permit from the State Veterinarian of North Carolina or his authorized representative.

In all other divisions and departments competition is LIMITED TO RESIDENTS OF NORTH CAROLINA.

NO DEPARTMENT SUPERINTENDENT OR DIRECTOR, OR MEMBERS OF THEIR IMMEDIATE FAMILIES MAY ENTER EXHIBITS IN THEIR RESPECTIVE DEPARTMENTS.

All entires (with exceptions noted in the Livestock Division for group classes) must be made in the name of the owner, breeder, manufacturer, grower, producer or one whose skill the exhibit represents. A firm, to be entitled to exhibit as such, must have been organized not less than 30 days prior to the closing date for entries, and such firm must have been organized as a bona fide firm for the purpose of producing, or buying and selling the articles or animals it proposes to exhibit in the name of such firm. A firm will be regarded as one exhibitor.

Official printed forms MUST BE USED in making applications for entry.

One will be found in the back of this book. USE A SEPARATE FORM FOR ENTRIES IN EACH DEPARTMENT. *Be sure to fill out the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address and zip code.

Additional application forms are available upon request to: N. C. STATE FAIR, 1025 BLUE RIDGE BLVD., RALEIGH, N. C. 27607.

Incomplete entry forms will be returned for correction if there is time to do so, but REMEMBER: No article or animals will be entitled to exhibit space until proper entry has been made, and no entry will be accepted after the closing date listed for the department.

Once an entry is made, it cannot be changed except where it is improperly classed or a mistake has been made in copying the original entry—in which event the changes can be made only with the permission of the Department Superintendent or Director in charge, AND THEN ONLY IN THE OFFICE OF THE "ENTRY DIRECTOR." If the records are altered and do not conform with the information on file in the Entry Department, payment of premiums will be withheld.

No person except personnel of the Entry Department will be allowed to see the entires, or have access to the entry books, until after the awards are made.

The same article or animal cannot be entered for more than one premium number (except as otherwise stated in the Special Department Rules and Regulations). Collections and displays must be made up of specimens other than those entered in single (individual) classes unless otherwise noted.

Except for the Horse Show no entry fees are required in any department, except that livestock, poultry, and rabbit exhibitors must include payment of stall, pen, and coop fees with their applications for entry. (SEE HEAD-NOTES OF THESE DEPARTMENTS FOR SCALE OF FEES.) See Dept. H, Arts and Photography head-notes for entry fees in the professional categories.

Application forms for entry should be mailed to: N. C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N. C. Effective October 3, 1977 the Entry Department will be staffed to receive applications for entry in person.

Entry Department will be open from October 3 through October 23, 8:00 A.M.-5 P.M. except Sunday, October 16 from 1-5 P.M. The Sunday following the fair the department will be open from 8 A.M. to 5 P.M.

EXHIBITS AND EXHIBITORS

The dates on which your exhibits must be in place at State Fair VARY FROM ONE DEPARTMENT TO ANOTHER. These dates are set out in the Department Headings and Rules and Regulations. Check these dates carefully so you can get your exhibits IN PLACE AT THE PROPER TIME TO BE JUDGED.

UNCLAIMED EXHIBITS FROM COMPETITIVE DEPARTMENTS, will be considered abandoned if not called for within one week after the official closing of the Fair, and may be disposed of as the Manager of the Fair sees fit. SEE SPECIAL RULES for the Culinary and Horticulture Departments.

Remember! All exhibits must be officially entered in the Fair, on official printed forms provided for that purpose, before the closing date for entries in the department. No article or animal will be entitled to space or considered in the judging until proper entry has been made. Removal of exhibits before the date and time specified will be cause for forfeit of all premiums won, all fees paid, and the right to further participation in the Fair.

In all but livestock departments, entries and exhibits will remain in place through the entire fair. Release times are scheduled for the day following the fair due to the lack of parking available nearby for those to pick up entries or exhibits, and in an effort to keep vehicles off the grounds during crowded conditions. The regulation will also assure those attending the fair during the evening of the final day of seeing the same exhibits and entries as those attending earlier.

All exhibits will be numbered and recorded in the books of the proper department and class and exhibit tag with corresponding numbers will be issued. This tag must be securely attached to the exhibit and must remain on the exhibit throughout the Fair (except that exhibit tags issued for livestock and poultry may be conspicuously displayed upon the stall, pen or coop). ENTRY TAGS WILL NOT BE MAILED, but will be available at the Entry Department, Administration Building.

Once the exhibit is numbered and tagged, it should be delivered to the Department Superintendent or Director, who will allocate space and either personally arrange the exhibit in a suitable and attractive display, or direct such action by the exhibitor. The State Fair assumes no responsibility for the incorrect tagging of exhibits.

All exhibitors are urged to personally bring their exhibits to the Fair and enjoy the educational and recreational advantages of the annual exposition. However, exhibits may be shipped or mailed to: N. C. STATE FAIR, 1025 BLUE RIDGE BLVD., RALEIGH, N. C. 27607, and they will be carefully handled, officially entered, tagged, and otherwise treated in the same manner as previously described. They will be given the same consideration with regard to display and judging as exhibits personally delivered.

All exhibits shipped or mailed MUST BE PREPAID. No transportation charges for express, postage, freight or drayage will be paid by the Fair. Shipments should be carefully labeled, accompanied by a bill of lading, and

properly identified inside and outside the package as to the department, class and premium number under which they have been previously entered. They should be shipped or mailed at least a week or 10 days prior to the opening of the Fair. The management will not be responsible for delayed shipments which arrive at the Fair too late to be considered in the judging.

Division Directors and Department Superintendents will have full authority over allocation of space, and will have direct supervision of all exhibits which are considered on exhibition as a part of the Fair's attractions, subject to use as these Directors and Superintendents see fit to add to the educational values of the Fair. Livestock able to be led or driven, or which will follow, must participate in parades and group exhibitions as directed by the Department Superintendent.

All livestock must be cared for by the exhibitor except as noted in the Junior Dairy Cattle and Market Cattle shows. Stalls and pens will be furnished bedding before the Fair, free of charge. Thereafter exhibitors will be required to furnish their own bedding and keep all stalls and pens clean. Feed and straw will be sold on the grounds at prevailing prices.

When exhibit tags are issued by the Entry Department for each article entered, a stub with a duplicate number will be given the exhibitor to serve as his claim check to recover and secure the release of his exhibit. Claim checks should be guarded carefully, since Department Superintendents and Directors are not allowed to release any exhibit without presentation of the exhibit tag stub. If the claim check is lost, such loss should be reported promptly and it will be necessary for the exhibitor to furnish the Director of the Entry Department proof of ownership of the article on exhibit.

Exhibits entered in the premium classes which are not claimed within one week after the close of the Fair will be considered to have been abandoned by the exhibitor and will be disposed of as the Manager of the Fair sees fit. Other exhibits, and materials therein, including concession booths, which are not claimed by the exhibitor or concessionaire within 30 days after the end of the Fair will be considered to have been abandoned and will become the property of the State Fair.

The Fair management reserves the right to reject any exhibit which does not reflect merit and which would not be a credit to both the exhibitor and the Fair. Also, the right is reserved to reject exhibits which are deemed objectionable or unsuitable for exhibition. All entries are accepted conditionally, pending inspection of the article or animal to be exhibited. Any article or animal which proves to be misrepresented or falsely classed will be rejected and the right of the exhibitor to further participation in the Fair will be denied.

Division Directors, Department Superintendents, and/or Judges must report disqualification of entries to the Manager or Assistant Manager of the State Fair immediately after such action is taken. UNDER NO CIRCUMSTANCES WILL JUDGING BE CONSIDERED OFFICIAL AND PREMIUMS PAID IN A CLASS WHERE DISQUALIFICATION IS RECOMMENDED UNTIL APPROVAL OF THE DISQUALIFICATION(S) IS OBTAINED FROM THE FAIR MANAGER OR ASSISTANT MANAGER.

Promiscuous advertising is strictly prohibited. Exhibitors may advertise and distribute literature and free samples from their place of exhibit only, but may not sell any article or animal from their exhibit space without a permit from the manager. The distribution of advertising matter which

conflicts in any manner with a concession sold by the Management is prohibited.

Commercial exhibitors and concessionaires are responsible for keeping the space in and around their exhibits, including unused space, aisles and roadways, clean and free of rubbish. An area of 10 feet around each exhibit booth and concession stand must be thoroughly cleaned by the exhibitor or concessionaire at the end of each Fair day. Failure to do so will be cause for cancellation of contract.

No exhibit space assigned may be shared or sub-let without permission of the Fair manager.

Exhibitors and Department Superintendents and Directors may have the exclusive use of the lawn in front of the Educational and Commercial exhibit building for parking until midnight, Thursday, October 13, 1977. Special parking facilities for the Livestock and Poultry Division will be provided at the west end of the Fairgrounds.

JUDGING AND AWARDS

Decision of the judges will be final, and no appeal will be considered except in cases of protest in writing, with strong evidence of fraud or violation of the rules of the Fair. Protests must be filed with the Division Superintendent not later than noon of the day following the award, and must be accompanied by a protest fee of \$5.00 which will be retained by the Fair if the protest is not sustained. The Division Superintendent will appoint a committee to consider the protest and all interested parties will be notified of the time of the hearing and will be given an opportunity to be heard. The rules of the International Association of Fairs and Expositions governing appeals will be those of the North Carolina Fair.

Judges will not award premiums to any article or animal because of its mere presence. It must be individually worthy. It is not the policy of the Fair to encourage indifferent production of any kind, or to distribute premiums equally among exhibitors. No premium will be awarded to any exhibit that does not possess high intrinsic merit.

Unless otherwise specified in the Department Rules and Regulations, **NO EXHIBITOR MAY WIN MORE THAN TWO PREMIUMS IN ANY ONE INDIVIDUAL CLASS, AND NOT MORE THAN ONE PREMIUM IN ANY GROUP CLASS.**

No exhibitor may accompany judges during their deliberations except such attendants as are necessary to handle and show livestock and other such exhibits. Any exhibitor attempting to interfere with the judges during their adjudications, or who publicly expresses disapproval of the decision of the judges, will be excluded from further competition and any premiums previously won will be forfeited.

Fraud or deception as to breeding, or in any other form, will be exposed and the exhibitor guilty of such violation will be excluded from further participation in the Fair, and all premiums previously won will be forfeited.

Premiums will be paid only on the basis of the records of the judging reports, which will be signed by the judge and by the Department Superintendent or Director. Ribbons will be securely attached to the articles upon which they were awarded, if possible, but the ribbons have no value in the

payment of premiums since they may become detached and find their way on to the wrong exhibit.

Entries made in wrong classes may be reclassified by the Department Superintendent, BUT ONLY IF SUCH RECLASSIFICATION IS MADE IN THE OFFICE OF, AND WITH THE APPROVAL OF, THE DIRECTOR OF THE ENTRY DEPARTMENT. Records must be changed when entries are reclassified. If the records are altered and the entry department files are not changed, premiums will be withheld.

Judges, when requested, may give the reasons for their decisions embracing the value and desirable qualities of the exhibits to which they have awarded premiums.

Judges will not award premiums or ribbons to any article or animal that does not qualify for one of the classes in the State Fair Premium List.

Premiums will be paid to winning exhibitors as soon after the awards are made as it is possible to compile and check all reports. Premiums not collected during the Fair will be mailed to the exhibitor at the post office address given on his or her entry form. Errors in premium statements will be corrected until December 1, 1977, after which time the books of the 1977 Fair are closed.

The following colors of ribbons will be used to designate awards:

Second Premium	Red

INFORMATION FOR EXHIBITORS

COMPETITION: Limited to entries from North Carolina.

ENTRIES: Please note entry dates as specified in each Division. Where made by mail, advance entries should be MADE EARLY. List ALL CUT FLOWERS you expect to have as it is much easier to "mark off" the flowers that do not bloom in time, than to have to make tags and special entries at the last minute.

RELEASE OF EXHIBITS: They must be picked up on Sunday, Oct. 23rd between 8:00 A.M. and 4:00 P.M., and EXHIBITS NOT CLAIMED will be considered abandoned. The State Fair will not in any way be responsible for them after that date and hour.

SPECIAL NOTE: It is suggested that in hardening your flowers for exhibit that they BE CUT EARLY IN THE MORNING and PLACED IN WARM WATER (120 to 140 degrees). TO KEEP THEM OVERNIGHT they should be kept in a COOL PLACE. If available, cut flowers should be kept in a COOLER at ABOUT 40 DEGREES.

Except in cases of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations will govern all entries and competition in this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after available space is taken.

All plant material exhibited in specimen classes **MUST** be GROWN by the exhibitor.

Unightly exhibits may be removed at discretion of the superintendent.

Proper attention will be given and every effort will be made to prevent theft or damage, but the North Carolina State Fair or the Show Superintendent assumes NO responsibility for loss of personal property of the exhibitors. Dead flowers will be removed and the ribbons held in the Department.

INFORMATION FOR EXHIBITORS

COMPETITION: Limited to Residents of North Carolina (ALL PRODUCTS EXHIBITED IN THIS DEPARTMENT MUST HAVE BEEN GROWN IN NORTH CAROLINA BY THE PERSON OR FIRM IN WHOSE NAME THE EXHIBIT IS ENTERED.)

ENTRIES CLOSE: Thursday, October 13, 1977, at 2:00 p.m.

EXHIBITS MUST BE IN PLACE: Thursday, October 13, at 5:00 p.m.

JUDGING STARTS: Friday, October 14, 1977, at 8:00 a.m.

RELEASE OF EXHIBITS: Sunday, October 23, 8 a.m.-5 p.m., and POSITIVELY NOT BEFORE THAT DATE AND TIME.

Exhibits (except apples—see Special Note below) unclaimed by 5:00 p.m. October 23 will be considered abandoned and the Fair will not be responsible for them after that time.

SPECIAL NOTE!!

Because of the extended duration of the N. C. State Fair it is assumed that most, if not all, apples will be out of condition by the end of the Fair. The Superintendent in charge of the fruit exhibit shall determine the method of distribution and any money received from the salvage of the apple exhibit will be divided according to the volume sold from each county exhibit and that amount will be sent to the respective county 4-H fund for use in 4-H work involving apples.

Rules and Regulations

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon

request. Use separate forms for entries in EACH CLASS—"1" Fruits and Nuts, and "2 and 3" Vegetables, of this department, and separate forms for entries in each other department of the Fair. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address and zip code.

List the Department Letter "G" for Horticulture and the Class Number "1" for Fruits or Nuts, and "2 and 3" for vegetables, for which each entry is made. Also, list the premium number and the description of the article, exactly as shown in the Premium List.

Entry Tags should be picked up at the Entry Department immediately upon arrival on the Fairgrounds. An Entry Tag must be attached to each exhibit before it is presented in the Department for display.

As far as possible, it is urged that all horticultural products be brought in and set up by the exhibitor. Where it is not possible, shipments should be made in time to reach the Fairgrounds no later than Wednesday, October 12, and should be addressed to: Superintendent, Horticulture Department, N. C. State Fair, 1025 Blue Ridge Blvd., Raleigh, N. C. 27607.

Where it is not possible to personally bring the products to the Fair and arrange them, the Superintendents will be glad to arrange the products in the most attractive manner possible. However, they will not pack box or basket entries for exhibit. Exhibits mailed or shipped to the Fair should be carefully labeled to show the name and address of the exhibitor, and the nature, and class in which entered, of the contents of the package.

The State Fair will furnish, PLATES, QUART AND PINT CONTAINERS, CORRUGATED CARTONS FOR SWEET POTATOES, AND TRAYS for exhibits, but no other containers. The number of specimens for each PLATE display is specified in the premium list. *Standard size tray, 11½ x 18 inches inside measurements, and 3 inches deep, will be used. Exhibitors should make a tray of the required dimensions and pack the exhibit to determine the number of specimens required.* At least one extra specimen for each plate, and three or four extra specimens for each tray, should be brought or shipped to the Fair to allow for possible damage in transit.

To insure uniformity in exhibit material and to facilitate judging, the following sizes for apple varieties will be recognized:

<i>Variety</i>	<i>Diameter</i>
Arkansas	3 to 3½ inches
Bonum	2¾ to 3 inches
Delicious and named bud sports	2¾ to 3¼ inches
Grimes	2¾ to 3¼ inches
Jonathan	2¾ to 3 inches
Golden Delicious	2¾ to 3¼ inches
Rome and named bud sports	3 to 3½ inches
Stayman and named bud sports	3 to 3¾ inches
Winesap	2¾ to 3 inches
York and named bud sports	3½ to 3¾ inches

Fruits and vegetables to be exhibited in plates and trays should be carefully wrapped and packed for shipment to the Fair. Wrap separately in paper and pack firmly in a box, taking care to avoid bruising. Label each variety plainly and put in dividers to keep varieties separated. Do not use hay, fodder, excelsior or any other dusty packing material. Any exhibit that

rots, is unsightly or becomes unsightly will be removed from display (after judging) at the discretion of the superintendent.

Quality—Not Quantity

In selecting horticultural products for exhibit, choose only those specimens that are of uniformly good quality, form and color, true to type, and free from all insect and disease blemishes, and free from cuts and bruises. Premiums offered for the best collection of fruits or vegetables will not be awarded for a mere pile or for the greatest number of varieties, **BUT MAINLY ON THE BASIS OF QUALITY.** Do not knock or shake fruit from the tree, but pick each specimen by hand, taking care not to pull out the stem. Products should be exhibited as nearly as possible in their natural state, and no preference will be given in the judging for highly polished fruits or vegetables.

Entries of "Commercial" containers of apples and sweet potatoes should be graded to uniform marketable size, high color, smoothness, trueness to type, freedom from cuts and bruises, and free from insect and fungus blemishes. They should be properly packed and faced in standard containers.

Entries of "Collections" and under "Any Other Variety" must be correctly named by the exhibitor. In the nomenclature of fruits, the names adopted by the American Pomological Society shall rule, and no variety will be accepted that has not been admitted to their catalogue, except in the case of seedlings never before exhibited.

Awards and Judging

No awards will be made for unworthy specimens, where quality is lacking, or where any of the Rules and Regulations governing these exhibits are disregarded.

No article entered for competition in any class will be permitted to compete for a premium in any other class. **AN EXHIBITOR CANNOT COMPETE FOR MORE THAN ONE PRIZE IN ANY CLASS.**

No exhibitor will be allowed to discuss exhibits with the judges, or to interfere in any way while the judges are at work.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this Division. **BE SURE TO READ THOSE IN THE FRONT OF THIS BOOK.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this Division.

Entries

MAKE YOUR ENTRIES EARLY! The right is reserved and will be used to reject entries received after all available space is taken, even though this occurs before specified time for closing entries.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use a separate form for making entries in each department. *Be sure to fill in the application form completely, accurately and legibly.* Give

your rural route number, post office box number, or city street address and zip code.

Indicate on the form the total number of animals you will exhibit and the total number of stall spaces (four feet wide) or pens (6 x 8 feet in size) you will require, including those to be used for gear, feed and bedding.

List the class number, as indicated in the premium list, for which each entry is made. *Use a separate line for each animal.* Do not make entries in the Championship classes. Indicate if you plan to make entries in the group and/or herd classes, but it is not necessary to name the animals which will make up your group or herd entries until after the judging of the individual classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List, also, on the application form the name (or ear tag number) and registry number of each animal entered, its date of birth, its sex, the names (or ear tag numbers) and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the superintendent.

All beef cattle and swine over six months of age and all sheep over three months of age must be registered with their respective breed associations in the name of the bona fide owner, who must have owned the animal at least 30 days prior to the closing date for entries in the department. Also all dairy cattle exhibitors must show official evidence of ownership of animal prior to showing. (See exceptions to this rule for group classes only in some departments).

Each breed of Livestock must be exhibited by more than one farm if the breed is to be considered for continuance in the 1977 N. C. State Fair Premium List.

Fees

Stall or pen fees are required for all entries in the senior and open classes of the Livestock Division. *Entries exclusively in the junior livestock shows are not subject to stall or pen fees.*

All applications for stall spaces and pens must be noted on the entry form, **AND REMITTANCES FOR SAME MUST ACCOMPANY THE ENTRY APPLICATION FORM.** Reservations will not be made unless accompanied by the required fee, and **REMEMBER: THE RIGHT IS RESERVED TO REJECT ENTRIES RECEIVED AFTER ALL AVAILABLE SPACE IS TAKEN. ENTRIES WILL BE ACCEPTED IN THE ORDER RECEIVED.**

Be sure to indicate on the form the total number of stall spaces or pens you will require, *including those to be used for gear, feed and bedding.* Include remittances for these extra stall spaces or pens you will require, as well as for those actually required for the animals you will exhibit in the competitive classes.

Animals duly entered in the show which will be exhibited competitively in the show ring will have priority on stall and pen space; thereafter, should additional space be available, display animals will be assigned stall or pen space.

The following fees will govern:

Cattle Barns, each stall space	\$3.00
Swine Barn, each pen	1.00
Sheep Barn, each pen	1.00

Individual Steer	3.00
Cattle (pens of 3)	5.00

Health certificates for the exhibition of sheep are valid for 60 days from the date of issue.

Rabbits

All rabbits will be presented for examination before being placed in the show. The Show Veterinarian will not accept rabbits infected with or showing any clinical signs of an infectious or communicable disease. Rabbits developing signs of infectious or communicable diseases during the show will be placed in isolation and shall not be removed for purpose of exhibiting.

Boxes used in transporting live rabbits to the Fair will not be allowed to remain inside the exhibit building during the Fair. They may be brought into the building in order to place the rabbits on exhibition, and again to pick up the rabbits at the end of the show.

Poultry

All poultry exhibited at the North Carolina State Fair shall have been in the possession of the exhibitor for sixty days or more prior to the date of the Fair. Exhibitors will fill out the "Poultry Exhibitor Certificate" in the back of this book.

All chickens and turkeys for exhibition at the Fair will originate from U.S. Pullorum-Typhoid Clean or equivalent flocks or have a negative pullorum-typhoid test within 90 days (30 days for out-of-state birds) of admission to the Fair, or (for North Carolina birds) the test requirements may be satisfied by a negative test conducted by an official state tester at the time the birds are brought to the Fair. The fee for pullorum-typhoid testing at the fairgrounds will be six cents per bird, with a minimum fee of \$1.00 per exhibitor.

No poultry shall have received a live virus vaccine within 30 days prior to entering the Fair. It is recommended that all birds be vaccinated for laryno-tracheitis with a modified live virus vaccine at least 30 days and not more than one year before the show. **VENT VACCINE MUST NOT BE USED.**

All birds must be identified with tamper-proof bands. Bands placed on birds tested at the fairgrounds by state testers will satisfy this requirement. Poultry entered at the Fair are subject to examination (including blood test and swabs) by a representative of the North Carolina Department of Agriculture. Birds will not be accepted which are infected with or showing any clinical signs of an infectious or communicable disease, or are infested with lice and/or mites.

Coops used in transporting live birds to the Fair shall not be allowed inside the exhibit building.

Out-of-state birds will be admitted provided a permit has been obtained from the State Veterinarian of North Carolina or his authorized representative. All of the above requirements must be satisfied before this permit will be issued.

Exhibits and Exhibitors

Only vehicles operated by the fair management will be allowed in the barn area.

The Fair management will use diligence to insure the safety of livestock entered for exhibition or display, but under no circumstances will it be responsible for loss, injury, theft or damage by fire, lightning, wind, or any other agency, to such livestock on exhibition or display.

All livestock on exhibition must be cared for by the exhibitor (except entries in Special Junior Dairy Cattle Exhibits.) All stalls and pens (except entries in Special Exhibits) will be well bedded one time by the Fair, free of charge. Thereafter, exhibitors will be required to furnish their own bedding.

The Fair reserves the right to discriminate against both excessive obesity, which cannot be a profitable condition for breeding animals, and excessive leanness, in which condition animals are unfit for exhibition.

No barren animals will be eligible in breeding classes. An affidavit that an animal is a breeder must be furnished on request.

All cattle must be halter-broken. No dairy bull over one year of age will be allowed on the grounds without a ring in his nose and must not be led from his stall except by a staff, rope or chain attached to or leading through the ring. Boars over one year of age must have their tusks removed.

Exhibitors must keep their animals uncovered between the hours of 9:00 a.m. and 5:00 p.m. each day of the Fair. Premium money will be withheld from exhibitors violating this rule, except in case of sickness of animals or inclement weather, and then only on authorization of the Superintendent.

A great educational feature of the Fair is the exhibitions and parades of approved livestock by breeds and ages. Exhibitors refusing for any cause not meeting with the approval of the management to lead out animals for parade will not only forfeit all premiums won, but will be barred from further participation in the Fair, and will be required to remove their stock from the Fairgrounds within six hours after such refusal, and will forfeit any fees paid.

Misrepresentation as to breeding and irregularity in showing will be exposed and any premium won by such exhibitor will be withheld. Certificates of registration must be shown on demand of the Livestock Superintendent.

Any artificial means of removing or remedying physical defects or con-

formation in exhibition animals, such as lifting or filling under the skin, will be considered fraud and deception. All animals giving evidence of such treatment will be barred from exhibition at this Fair, and at all Fairs holding membership in the International Association of Fairs and Expositions.

Exhibitors must keep the space in the rear of their stalls or pens, and the alleyways in the exhibition halls, clear and clean. All litter must be deposited where directed by the Superintendent or Directors.

Animals must be transported to and from the Fairgrounds at the expense of the exhibitor. The Fair management will not pay any charges for express, freight or drayage.

Exhibitors are responsible for ascertaining when their stock will be judged. Animals must be in the show ring promptly after being called. Exhibitors failing to comply with this rule may have their animals excluded from competition.

Judges and Awards

NO EXHIBITOR MAY RECEIVE MORE THAN TWO PREMIUM MONIES IN ANY ONE CLASS. However, ribbons will be awarded exactly as the animals are placed by the judge. EXAMPLE: An exhibitor makes three entries in a class, and his animals place "First," "Second" and "Third." He would receive only the first and second premium moneys, but all three ribbons. Then, the owner of the animal placing "Fourth" would receive the third-place premium money and the fourth-place ribbon; and so on down the line.

The decision of the judges will be final, and no appeal will be considered except in case of protest. The rules of the International Association of Fairs and Expositions govern appeals at the North Carolina State Fair. Protests must be in writing and filed with the General Livestock Superintendent by noon of the day following the award, accompanied by a protest fee of \$5.00 which will be retained by the Fair if the protest is not sustained by an impartial Protest Committee appointed by the General Livestock Superintendent.

No unworthy animal will be awarded a premium. Where there are fewer animals shown in the class than the number of premiums offered, the judge may, at his discretion, award a prize or prizes of such grade as the animal or animals deserve.

Where there is only one entry in a class, second premium will be awarded unless in the opinion of the judge the animal is sufficiently meritorious as to justify the full award as provided for.

Herdsmen's Contests

Special prizes will be awarded in contests for herdsmen, shepherds and caretakers of animals in all livestock departments. All herdsmen will automatically be considered entrants and no special entry is required.

The contests will start at a time designated by each Department.

The following score card will serve as the basis for the judges in the Herdsmen's contest making their decisions:

	Points
Condition and cleanliness of herd or flock	20
Neatness and cleanliness of herdsmen and helpers	10
Courtesy and deportment of herdsmen and helpers	8

Entries in the group and herd classes must have previously been exhibited in the individual classes.

List, also, on the application form the name and registry number of each animal entered, its date of birth, its sex, and the names and registry numbers of its sire and dam. Bring your registration certificates to the Fair; they must be shown at any time if requested by the Superintendent. Registration papers will be required at the time of showing of all group classes.

All animals over six months of age must be registered with their respective breed association in the name of the bonafide owner.

In breeding classes, to be eligible to show, all cows 42 months of age or older must have produced a calf carried to maturity within the last 18 months prior to the opening date of the Fair. In case the exhibitor, upon demand of the superintendent, cannot verify by affidavit or registration certificate the facts of the above requirement, the animal will be excluded from competition.

In making awards in the breeding classes, the judge will lay much stress on the evidence of superior breeding qualities. When animals show evidence of being "overdone" (overloaded with flesh) they will be discriminated against accordingly.

Mail entries, make checks for stall fees payable to, and address requests for additional application forms and further information to: N. C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N. C. 27607.

THE PUREBRED DAIRY CATTLE ASSOCIATION

Show Ring Code of Ethics

The showing of registered dairy cattle is an important part of the promotion, merchandising and breeding program of many breeders. Additionally, it is an important part of the program of The Purebred Dairy Cattle Association to stimulate and sustain interest in breeding registered dairy cattle. This relates to both spectators and exhibitors. In this connection, the PDCA believes that it is in the best interests of the breeders of registered dairy cattle to maintain a reputation of integrity and to present a wholesome and progressive image of their cattle in the show ring. It recognizes that there are certain practices in the proper care and management of dairy cattle, which are necessary in the course of moving dairy cattle to and between shows that are advisable to keep them in a sound, healthy condition so that they might be presented in the show ring in a natural, normal appearance and condition. Conversely, it recognizes certain practices in the cataloging, handling and presentation of cattle in the show ring which are unacceptable.

The following practices or procedures are considered unacceptable and defined as being unethical in the showing of registered dairy cattle:

1. Misrepresenting the age and/or milking status of the animal for the class in which it is shown.
2. Balancing the udder by any means other than by leaving naturally produced milk in any or all quarters.
3. Setting the teats with a mechanical contrivance or with the use of a chemical preparation.
4. Treating or massaging any part of the animal's body, particularly the udder, internally or externally with an irritant, counter-irritant, or other substance to temporarily improve conformation or produce unnatural animation.
5. Minimizing the effects of crampiness by feeding or injecting drugs, depressants or applying packs or using any artificial contrivance or therapeutic treatment excepting normal exercise.
6. Blocking the nerves to the foot to prevent limping by injecting drugs.
7. Striking the animal to cause swelling in a depressed area.
8. Surgery of any kind performed to change the natural contour or appearance of the animal's body, hide or hair. Not included is the removal of warts, teats and horns, clipping and dressing of hair and trimming of hooves.
9. Insertion of foreign material under the skin.
10. Changing the color of hair at any point, spot or area on the animal's body.
11. The use of alcoholic beverages in the feed or administered as a drench.
12. Administration of a drug of any kind or description internally or externally prior to entering the show ring, except for treating a recognized disease or injury and for tranquilizing bulls that may otherwise be dangerous or females in heat. For the purpose of this Code, the term "drug" shall mean any substance, the sale, possession or use of which is controlled by license under federal, state or local laws or regulations and

any substance commonly used by the medical or veterinary professions which affect the circulatory, respiratory or central nervous system of a cow.

13. Criticizing or interfering with the judge, show management or other exhibitors while in the show ring or other conduct detrimental to the breed or show.

In keeping with the basic philosophy of The Purebred Dairy Cattle Association, ethics are an individual responsibility of the owner of each animal shown. Violations of this code are subject to the disciplinary provisions of the appropriate dairy breed association.

Senior "Open" Dairy Show

EDUCATIONAL EXHIBIT

An exhibit, showing important developments in dairy production of North Carolina's growing livestock industry, will be arranged and presented by the Animal Science Department of North Carolina State University, with the advice and cooperation of the Livestock Advisory Board and the State Fair management. For this purpose, the following award is made to help defray the costs of arranging and presenting this exhibit:

PRODUCTION CREDIT FOR MILK BASE ALLOTMENT

Milk base allotment will be granted by the N. C. Milk Commission for the production of milking cows being exhibited at N. C. State Fair. The average daily production for the number of days away from the farm will be used. Production data should be certified by DHIA supervisor or dairy plant and number of milking cows at show and days away from farm are to be certified by Superintendent of Dairy Cattle Show.

NO EXHIBITOR IN JUNIOR DAIRY SHOW MAY SHOW MORE THAN THREE ANIMALS.**

The Danish system of judging will be used; however, the first three animals in each class will be placed.

Animals other than grades must be registered with their respective breed associations. Registration papers must be presented to the Junior Show superintendent when requested and prior to 5:00 p.m. Friday, October 21.

Animals may be registered as follows:

- a) in the name of the Junior Exhibitor

NOTE: Properly transferred registration papers must be presented for each animal shown in the registered classes. Registered animals without proper papers may show in the grade classes. **EXCEPTION:** Brown Swiss animals will be accepted without registration papers, provided the exhibitor can provide satisfactory evidence of the animal's birthdate such as a DHIA calf page. Such animals must be identified by ear tattoo or standard series metal ear tag and must conform to generally accepted breed character.

Grade animal classes will be judged for fitting and showmanship only with equal weight to each.

Health regulations, as described under the General Livestock Rules and Regulations, will be strictly enforced. **HEALTH PAPERS MUST BE SHOWN.**

No entry or stall fee will be charged for entries exclusively in the Junior Show.

MILEAGE PAYMENTS FOR JUNIOR COUNTY HERDS

The State Fair Management will pay mileage compensation for animals exhibited in the Junior Dairy Show as outlined here. Payment will be made for each animal based on the distance (one way) between the county seat of

the county involved and Raleigh. For computing mileage, the Official Highway Map issued by the State Department of Transportation will be used. Payments will be made on the basis of \$.05 per animal, per mile.

SPECIAL BREED AWARDS

The National Associations for Ayrshire, Brown Swiss, Guernsey, Holstein and Jersey breeders provide ribbons for the first three animals in each class of their respective breed in the Junior Show. All with the exception of Brown Swiss also provide a champion ribbon. The North Carolina Associations for the Brown Swiss, Guernsey, Holstein and Jersey breeders provide awards in the fitting and showing classes. In addition, the following awards are provided.

SPECIAL RULES

All Polled Hereford entries must be registered in the American Polled Hereford Association Record. All entries are subject to provisions and rules for showing as set forth by the Board of Directors of the American Polled Hereford Association.

Animals with scurs (any horny tissue) are not eligible to compete in APHA Standard of Perfection Shows. Any evidence of tampering or removal will disqualify from competition.

Polled Herefords must be entered and exhibited under the recorded ownership at the time of the show's entry deadline date. Jointly-owned animals must be entered and shown under the multi-ownership (all co-owners) in the individual classes. In the group classes, jointly-owned animals may be entered and exhibited under the name of one of the co-owners provided he owns a full—or part—interest in each of the animals in the group entry.

SHOW CLASSES

Final determination of classes for individual bulls and heifers will be made at the show, after all animals are checked in upon arrival. Polled Hereford entries will not be entered in designated show classes at time of entry.

There will be 8 classes for individual heifers and 10 classes for individual bulls, plus 3 group classes (Get-of-Sire, Calf Get-of-Sire, and Best Six Head).

Individual bull and heifer classes will be divided into as nearly equal numbers as possible, depending on natural age breaks of entries and the final number of animals to be exhibited.

Judges may reduce the numbers in class for final competition to correspond to the number of places premiums are offered, and the balance of animals in the class may be allowed to return to the stalls.

with for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved and will be used to reject entries received after all available space is taken, even though this time occurs before date of closing of entries.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address, county, and zip code.

Indicate on the form the total number of animals you will exhibit in each class and each show, and the number of pens you will require. For entries in the senior classes, payment of a \$1.00 fee for each pen required must accompany your application. No fee is required for entries in the Junior Show or Barrow Show, but all entries should be listed.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the championship classes.

All breeding animals must be registered with their respective breed associations and certificates of registration must be presented at time of show, for checking as to earmarks.

All animals must be entered in the name of the bona fide owner who must have owned the animal prior to September 15, 1977.

No exhibitor may make more than two entries in any one class.

Boars, one year old and older, shall have their tusks removed prior to showing, or they will be disqualified.

Health regulations of the Veterinary Division of the N. C. Department of Agriculture will be strictly enforced. **BE SURE TO READ THESE UNDER "GENERAL RULES AND REGULATIONS OF THE LIVESTOCK DIVISION"** before entering or competing in this department.

Mail entries, make checks for pen fees payable to, and address request for additional application forms and further information, to: N. C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N. C. 27607.

Registration Certificate Resolution

All exhibitors and their helpers will be required to carry the registration certificate for each animal into the show arena. That he then would be able to rapidly and absolutely identify that hog as the one shown and officially eligible for the class by his registration certificate showing farrowing date and ear marks. Further, an animal that is exhibited and not properly identified will be thrown out of the show. Unanimously approved by all secretaries of the members of the National Association of Swine Records, March 2, 1958.

STATE FAIR MARKET BARROW SHOW

RULES: Except where noted, the general rules of the Fair and of the Live-stock Department will apply and govern this Show.

JUDGING:

Classes will show on Tuesday, October 18 at 8:00 p.m. 1977 in the following order: lightweight, mediumweight and heavyweight.

NOTE: NEW SHOW TIME

The show is open to purebred or crossbred barrows weighing between 180 and 240 pounds. Entries are not limited to exhibitors in the Senior or Junior Swine Shows.

An exhibitor (individual, firm, family or herd) may show 2 entries in each class or a maximum of 6 animals.

All of the animals as placed on foot will be slaughtered and will be eligible for premiums in the respective on-rail classes. However, the Judge is instructed to disqualify and eliminate from competition any defective or un-sound animals. Barrows that are obviously over age and barrows that are late castrates can also be disqualified and eliminated. All barrows will be sold to a packer as determined by the Livestock Director.

The carcass placing will be on the basis of certification requirements, estimated percent lean cuts, and carcass quality as determined by the Carcass Evaluation Committee. Estimated lean cuts will be determined by conversion factors endorsed by National Pork Producers Council using carcass weight, loin eye area and fat depth.

(An official health certificate is required for all barrows.)

RULES AND REGULATIONS

(See Poultry Exhibitors Certificate in the Back of this Book)

Except in cases of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THE BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated here for emphasis, and other of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments of the FAIR. *Be sure to fill out the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address, and zip code—telephone number.

In filling out the form, write "Poultry" or the department letter "Q" in the first column headed: "Dept." In the next column headed: "Class No." write the letter "A" if your bird is entered in the "Standard Breed Show," the letter "B" if entered in the regular classification, and the letter "C" if entered in the "Miscellaneous" Classification, etc. In the third column, headed "Premium List No." write in the number shown for the sex and age of the breed and variety you are exhibiting. For instance, if you were entering a S. C. Red pullet in the Show, you would enter the number "4" as indicated in the premium list under the column headed "Premium List No."

In the wide column headed "Description of Article" write the breed, if large fowl or Bantams, and variety of your bird exactly as they appear in the premium list. Next enter age and sex (Cock, Hen, Cockerel or Pullet.) In the column headed: "Leg Band No." **BE SURE TO LIST THIS EXACTLY AS THE BIRD WILL BE BANDED WHEN SHIPPED OR BROUGHT TO THE FAIR.** Important: **LIST ONLY ONE BIRD ON EACH LINE OF THE APPLICATION FORM.**

A coop fee of 25¢ for each bird to be exhibited **MUST ACCOMPANY YOUR APPLICATION FORM.** Space cannot be reserved until receipt of this coop fee, and, remember: The right is reserved to reject entries after all available space is taken.

All birds must be entered in the name of the bona fide owner, who must have owned the birds for at least 60 days before the closing date for entries. No carload or professional string-man exhibit will be allowed to compete, except those who are owners and breeders of the birds they exhibit, and maintain a breeding establishment sufficient to raise the birds so exhibited.

Shipping instructions for return of birds to owner, or re-shipment, should be given on the entry form and/or in a separate letter to: Director, Poultry Department, N. C. State Fair, 1025 Blue Ridge Blvd., Raleigh, 27607. Return shipments, or re-shipments will be made with transportation charges **COLLECT.**

All birds are entered at the risk of the owner, and the State Fair manage-

ment will not be responsible for any loss or damage, but will exercise all possible vigilance in the care of exhibits. No one will be allowed to handle fowl on display except the owners and officials of the show, without permission of the directors. The right is reserved to coop two or more birds of the same variety, and belonging to the same person, together if absolutely necessary. In no case will two male birds be placed in the same coop.

The American Standard of Perfection (revised edition) will be the guide of the judges in awarding premiums. The premiums will be paid only on standard varieties listed in this catalog, and then only to worthy specimens. To win first premium, a bird must score at least 88 points; for second premium, 87 points. For less than 87 points, third and fourth prizes will be awarded.

The decision of the judges will be final. Protest will be entertained only when addressed to the Division Director of the Division III by noon of the day following the award, and then only when accompanied by a protest fee of \$5.00. Bases for Protests: (1) Placing a disqualified bird; (2) Fraud; and (3) Clerical error. This fee will be forfeited unless protest is sustained by a majority of the judging staff and officials of the show.

After the judging, the management will endeavor to place on the coops any advertising material supplied by the exhibitor for his coop.

Mail entries, make checks for coop fees payable to, and address requests for additional entry application forms and further information, to: N. C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N. C. 27607.

POULTRY

All poultry exhibited at the North Carolina State Fair shall have been in the possession of the exhibitor for sixty days or more prior to the date of the Fair. Exhibitors will fill out the "Poultry Exhibitor Certificate" in the back of this book.

All chickens and turkeys for exhibition at the Fair will originate from U. S. Pullorum-Typhoid Clean or equivalent flocks or have a negative pullorum-typhoid test within 90 days (30 days for out-of-state birds) of admission to the Fair or (for North Carolina birds) the test requirements may be satisfied by a negative test conducted by an official state tester at the time the birds are brought to the Fair. The fee for pullorum-typhoid testing at the fairgrounds will be six cents per bird, with a minimum fee of \$1.00 per exhibitor.

No poultry shall have received a live virus vaccine within 30 days prior to entering the Fair. It is recommended that all birds be vaccinated for larynotracheitis with a modified live virus vaccine at least 30 days and not more than one year before the show. VENT VACCINE MUST NOT BE USED.

All birds must be identified with tamper-proof bands. Bands placed on birds tested at the fairgrounds by state testers will satisfy this requirement. Poultry entered at the Fair are subject to examination (including blood test and swabs) by a representative of the North Carolina Department of Agriculture. Birds will not be accepted which are infected with or showing any clinical signs of an infectious or communicable disease, or are infested with lice and/or mites.

Coops used in transporting live birds to the fair shall not be allowed inside the exhibit building.

Out-of-State birds will be admitted provided a permit has been obtained from the State Veterinarian of North Carolina or his authorized representative. All of the above requirements must be satisfied before this permit will be issued.

RULES AND REGULATIONS

Except in cases of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair, and the General Rules and Regulations of the Poultry and Small Stock Division, will govern this department. **BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

The conduct of the show will be in accordance with the latest revised official show rules of the American Rabbit Breeders Association. Interpretation of these, and other rules of this department will be invested in the Department Superintendent, the Judge and the Division Director. Their decisions will be final, except in the case of official protest as explained in the General Rules and Regulations of the State Fair.

This show is sanctioned and conducted in cooperation with the North Carolina Rabbit Breeders Association. However, membership in or registration of animals with the North Carolina or American associations is not required to enter or compete.

Entries

MAKE YOUR ENTRIES EARLY. The right is reserved to reject applications received after all available space is taken.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments.

Be sure to fill in the application form completely, accurately and legibly. Give your rural route number, post office box number, or city street address, and zip code.

List the department letter "R" and premium number under which each entry is made. **THIS IS VERY IMPORTANT.** For instance, if you were entering a Senior Doe American White Rabbit in the individual class, you would list "R-13" in the column headed "Premium List No." on the entry form (SEE PREMIUM LIST). Be sure to also give the other information requested on the application form, including age and sex.

Rabbits entered in the Fur and Wool Classes must also be entered in the individual classes.

No exhibitor will be permitted to make more than three entries or win more than three premiums in any one class.

Fees

Payment of the following fees must accompany application for entry:

	<i>Additional</i>
Single Rabbits	50¢
Doe with Litter	50¢
Fur and Wool Classes	25¢
Meat Pens (per pen)	25¢

Mail entries, make checks payable, and address requests for additional application forms and further information, to: N. C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N. C. 27607.

Exhibits and Judging

The Fair management will use diligence to insure the safety of stock, and will have qualified attendants on duty day and night to feed, water, and care for the animals, but under no circumstances will it be responsible for loss, injury, theft, or damage by fire, lightning, wind, or any other cause.

Stock arriving sick, or becoming ill at the show, will be removed and placed under the care of a veterinarian.

Shipments of stock must be prepaid. The Fair management will not be responsible for any shipping, drayage or other transportation charges to the Fair. Shipments should be addressed to: SUPERINTENDENT, RABBIT DEPARTMENT, N. C. STATE FAIR, RALEIGH, N. C. Return shipments will be made collect by the Fair, without drayage charge, if directed by the exhibitor on his application form. Shipping crates should be strongly constructed and have the owner's name and address plainly and permanently marked thereon. The Fair management will not be responsible for any loss or damage.

No person will be allowed to handle his or her exhibits, or any other exhibits, without permission of the department directors. Any exhibitor interfering with, attempting to influence, criticizing, or otherwise causing delay and confusion during the judging, will be barred from further competition and will forfeit all awards and premiums previously won. The judging will be done within an enclosed arena and only officials of the show and their designated helpers will be permitted therein.

Each animal must have a permanent ear mark, which must be listed on the entry form. No adhesive tape or pencil marks will be accepted.

The right is reserved to substitute another judge in case the judge listed is unable to officiate. Each animal must be entered in the name of the bona fide owner, otherwise exhibitor forfeits all entry fees and premiums.

NO SUBSTITUTIONS OF ANIMALS ALLOWED EXCEPT IN SAME BREED, CLASS, AND SEX.

HEALTH REGULATIONS

Rabbits

A. The health regulations of the Veterinary Division of the N. C. Department of Agriculture will be enforced. They are:

1. All rabbits will be presented for examination before being placed in the show. The Show Veterinarian will not accept rabbits infected with or showing any clinical symptoms of an infectious or communicable disease. Rabbits developing symptoms of infectious or communicable diseases during the show will be placed in isolation and shall not be removed for purpose of exhibiting.
2. Boxes used in transporting live rabbits to the Fair will not be allowed to remain inside the exhibit building during the Fair. They may be brought into the building in order to place the rabbits on exhibition, and again to pick up the rabbits Sunday morning, October 23, 1977.

CLASS "A"

As indicated by the premium list, juniors (under six months), intermediates (6-8 months) and seniors (over 8 months) will be judged by sex, in each breed of the individual classes, except in the small breeds in which the American Rabbit and Cavy Breeders Association does not recognize an intermediate class. In these smaller breeds, the judging will be of juniors (under six months) and seniors (over 6 months). In addition, there will be competition for pre-junior bucks and does (under 3 months) among: American Heavyweight and Giant Chinchillas, New Zealand Reds, White and Black Checkered Giants, Champagne DeArgent, Californians, and Flemish Giants and Satins. Doe with Litter classes will be judged in each breed.

CLASS "B"

The following "Specials" will be judged with all breeds in competition. Entries in fur and wool classes must also compete in individual classes. Each breed will be judged separately in the fur classes.

If a breed has both white and colored varieties, the white variety would be judged in one class and the colored varieties would be combined and judged together in a separate class. For example: Each breeder could enter 3 white satins and 3 colored satins or 3 white New Zealands and 3 colored New Zealands as they would be judged in separate classes. Meat pens will consist of three small fryers, under 5 pounds each.

N. C. Rabbit Breeders Assn., "Specials"

In support of the Twenty-Second State Rabbit Show at the 1977 N. C. State Fair, the North Carolina Rabbit Breeders Assn. is offering rosettes for Best of Breed in each of the six breeds having the largest number of entries.

There will be licensed REGISTRARS at this show to Register any qualified rabbit should the owner wish it done.

Youth Class

If they desire, Junior Exhibitors from age 8 through 18, may designate that their entries be judged in the Youth Class instead of the Open Class. The rules and regulations, entry fees and awards are the same for both classes. It is against American Rabbit Breeders Association Rules to enter rabbits in any Youth Classes and also in Open Class competition in the same show. However, youth can make entries in both Open and Youth Classes with *different* rabbits. If you want your entry judged in the Youth Class please make this request on your entry blank. Otherwise, it will be judged in the Open Class competition.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. USE A SEPARATE FORM FOR MAKING ENTRIES IN THE CULINARY DEPARTMENT. Do not use the same form for making entries in the Clothing, House Furnishings or any other department of the Fair. Additional copies of the form, or further information, may be obtained by writing: N. C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N. C. 27607.

Be sure to fill in the application form completely, accurately and legibly. Give your rural route number, post office box number, or city street address and Zip Code.

In the first column list the department name (CULINARY) or the department letter ("W"). In the next column list the class number ("1" for Canned Fruits, Vegetables and Meats, or "2" for Breads, Cakes, and Candies). Next list the Premium Number under which the entry is being made (EXAMPLE: "W-2" is the Premium Number under which to enter pint or quart jars of Applesauce—see Premium Lists following). Finally, in the wide column on the form give the Description of the Article to be exhibited,

USING THE EXACT WORDING OF THE PREMIUM LIST. Use a separate line for each article entered.

All entries must have been prepared by the exhibitor within the year, October, 1976-October, 1977. *Anything that has been entered in a previous State Fair will be disqualified.*

ONE ENTRY FROM ONLY ONE INDIVIDUAL IN A FAMILY WILL BE ALLOWED UNDER ONE PREMIUM NUMBER. AN INDIVIDUAL MAY NOT ENTER IN MORE THAN 15 CATEGORIES IN CLASS 1—CONSERVED PRODUCTS.

Baked goods, with the exception of decorated cakes, will become property of the Fair. DECORATED CAKES, when released at the close of the Fair, MAY NOT BE SOLD ON THE FAIRGROUNDS, by order of the N. C. health department.

Articles entered in single classes cannot be shown in displays.

DO NOT SEND ARTICLES FOR EXHIBIT WITHOUT FIRST HAVING THEM ENTERED.

Class 1—Conserved Products

In order to award premiums on a quality basis, all containers except canned fruits, vegetables, and meats will be opened. Any canned fruit, vegetable or meat that resembles a commercial product may be opened for testing. Exhibits will be ruled out when not in standard size jars specified.

Unless an article is of good quality, no premium will be awarded.

TWENTY-SEVENTH ANNUAL

State Fair Folk Festival

DEPARTMENT "AA"

SUPERINTENDENT:

RUTH JEWELL, Raleigh

ENTRIES:

All individual and group entries may be made in person or by letter to Supt. Jewell, care of State Fair, 1025 Blue Ridge Blvd., Raleigh, N. C. 27607 prior to September 30, 1977. Entry form located in back of book.

In setting up the North Carolina State Folk Festival in 1948 our sponsors had a two-fold purpose in mind:

First: To provide additional high type and wholesome entertainment for the Fair visitors, especially those of our own State and their children who have a material and cultural interest in the Fair proper, and

Second: To encourage and foster efforts among the people of the State to preserve and develop our rich heritage of native folk arts in the forms of balladry, folk song, gospel singing, traditional folk games and dances, and string music: to the end that the benefits derived from seeing this material presented at its best may be extended to other interested recreational and social groups throughout the state who prize its value.

FOLK FESTIVAL Daily Program

To carry out the purposes above set forth, three separate programs a day for each day of the Fair will be conducted. Programs at 11:00 a.m., 2:00 p.m., and 5:00 p.m., at which time each group or individual appearing on the program is to be judged. They are expected also to appear again the same day, and they may appear again during the Fair week if time will permit.

tainment appeal, folk value of selection, grace and manner of execution, skill, voice harmony, and appearance. AWARDS:

Premiums of \$200, \$100 and \$50, will be awarded First, Second and Third place contestants. There will also be a \$35 premium paid for Fourth place, \$25 for Fifth place and \$10 for Sixth place through Fourteenth place. TROPHIES will be awarded the Champion Bricklayer and his employer by Carolinas Branch, Associated General Contractors of America, Inc., and Brick and Tile Service, Inc. TOOLS donated by manufacturers and suppliers will be presented to all contestants.

Designed to promote interest among young Tar Heels in the skilled construction trades, the Apprentice Bricklaying Contest has become a popular annual event at the State Fair since the first such competition was held in 1954. About 30 apprentices usually match their skills in the contest, according to the records of the last few years.

The bricklaying contest dramatizes a program which the State has sponsored through the past two decades since the Apprenticeship law was enacted by the General Assembly in 1939. Offering young people of the State an opportunity to acquire skill and proficiency in any of the skilled trades, the Apprenticeship Program has turned out thousands of skilled workmen. At present, approximately 9,000 young people are receiving apprenticeship training on the job under direction of journeymen, supplemented by related classroom instruction. The apprentice "earns while he learns."

Contest sponsors include the following:

1. N. C. State Fair
2. Apprenticeship Division, North Carolina Department of Labor
3. Brick Association of North Carolina
4. Carolina Lumber and Building Supply Association, Inc.
5. Carolinas Branch Associated General Contractors of America, Inc.
6. Carolinas Construction Training Council
7. N. C. Chapter, American Institute of Architects
8. N. C. Department of Community Colleges
9. N. C. Home Builders Association, Inc.
10. Trade and Industrial Education Section, N. C. Department of Public Instruction.

THIRTEENTH ANNUAL FUN FESTIVAL FOR SENIOR CITIZENS

DEPARTMENT "DD"

SUPERINTENDENT:

JAMES M. CHAMBERS, Director of Parks and Recreation, City of Raleigh,
Retired. R.F.D. 10, Raleigh, N.C. 27603

COMPETITION:

Limited to residents of North Carolina who have reached or passed the age of 65 years.

As usual, this will be the most important day of the Fair since YOU have been invited as a special guest and will be recognized upon your arrival. It will be a day of fun for you and all of the senior citizens of the State. You will be seated in the Dorton Arena at 11:00 A.M., Wednesday, October 19 where you will be entertained with a program you will long remember.

In the past, we have had various contests and had you performing on the stage. This year we will not have an actual contest—everyone will be a winner by just being present. Of course, we will recognize the oldest senior citizen and the one who traveled the most number of miles in order to attend. Our plans this year are to entertain you with many fine acts from the shows and let you hear our good Governor tell you how much he appreciates all of his senior citizens.

The State Fair Management has presented many Senior Citizens of the Old North State an annual lifetime pass to the Fair. It is your permanent admission to the fairgrounds. A Senior Citizens Pass may be obtained by showing verification of age 65 to any gateman upon arrival at the North Carolina State Fair. We hope you will always cherish and respect this token of appreciation and will use it every chance you have.

CHILDREN'S BARNYARD

ANTIQUÉ FARM MACHINERY

DEPARTMENT "GG"

SUPERINTENDENT:

J. C. FERGUSON, 1213 Dixie Trail, Raleigh, N. C. 27606

When the early American settlers tilled their small fields by hand, their methods were little different from those of ancient Egypt, Greece or Rome. Even the pioneers who pushed westward 200 years later had only crude plows at best and usually resorted to the hoe and axe to cut holes in the prairie sod where seed of their first corn crop might take root and grow.

To capture some of the history of early farming methods and tools used, the North Carolina State Fair started collecting antique items of farm tools and machinery several years ago. Prior to 1973 this valuable collection had no permanent home on the Fairgrounds but was placed at random each year wherever space could be found. After several years of effort on the part of State Fair management and others an all-steel building containing 8,400 square feet of floor space was authorized by the State Legislature. The building was erected in the Village of Yesteryear area and was first occupied in 1973. Since this time a number of additional items have been secured through loan or donation. Many items date back to the late 1700's and early 1800's and up to the early days of tractor power.

At present certain pieces of equipment are duplicated; however as additional units are added to the exhibit, duplications will be eliminated, making room for a greater variety of interesting and historically significant items.

Future plans for the exhibit include not only the addition and restoration of items but a more complete identification and detailed history of each unit as is known.

Should you have or know of available items of special interest that would further enhance the educational and historical value of this collection, we would be delighted to hear about them.

We invite everyone, both young and old, to visit, reminisce, and enjoy this most valuable and interesting permanent exhibit at the North Carolina State Fair.
