MICHAEL F. EASLEY
GOVERNOR

Welcome

It is my pleasure to welcome you to the 152nd North Carolina State Fair, October 14-23, 2005. The State Fair is a place where rural and urban cultures come together to celebrate North Carolina's proud agricultural heritage. This year's theme is "Feed Your Senses," in honor of the State Fair's familiar sights, smells and sounds.

The North Carolina State Fair serves as a showcase for the people, products and talent of the Tar Heel state. Fairgoers of all ages can enjoy thrilling entertainment, innovative exhibits, more than 100 rides and everyone's favorite, great food. Due to a new 50,000 square-foot multi-purpose building, this year's fair will include more exhibits showcasing the state's agriculture industry.

The exhibitors, collectors and performers are to be commended for making the State Fair a treasured tradition.

With kindest regards, I remain

Very truly yours,

Dear State Fair Friends:

It's that special time of year again. The sights and sounds of the North Carolina State Fair are right here. This year, the Fair celebrates its 152nd anniversary. As Lt. Governor, I am proud of this rich tradition that has helped establish our state as a national leader in agricultural diversity and research.

The State Fair was first created as an exposition for farmers around North Carolina to showcase their crops and learn about the latest scientific research. Today, the Fair highlights advances in agriculture and displays the best North Carolina has to offer in the areas of crafts, cooking, livestock, arts, musical talent and more.

The theme for the 2005 N.C. State Fair is "Feed Your Senses." This slogan reflects everyone's experiences in enjoying all aspects of our great State Fair—there's something special for all of our senses that can only be found at the Fair.

Just like in the past, the 2005 N.C. State Fair is proud to offer a great Midway, musical performances, new exhibits and educational opportunities for children and school groups. Be sure to check out old favorites including delicious food, racing pigs, livestock exhibits, arts and crafts. The North Carolina State Fair creates memories for a lifetime.

See you at the Fair.

Sincerely,

Beverly Eaves Perdue

North Carolina Department of Agriculture and Consumer Services

Dear Fair Friends,

The 2005 N.C. State Fair is almost here and it promises to be one of the best yet. I hope you find our premium book informative and full of competitions that could win you a blue ribbon.

Our competitive exhibits help make the Fair unique and I would like to thank you for taking time to enter your prized possession.

I would also like to thank you for being a part of the longstanding tradition of competitions at the Fair. Agriculture remains the true heart of the N.C. State Fair and the foundation of our competitive exhibits. Even if you are competing in our Fine Arts competition or our new essay competition, fair competitions are rooted in the agricultural community and are part of our agricultural heritage.

I encourage you to visit some of our special exhibits while at the Fair, including the State Fair Ark, Goodness Grows Store, Field of Dreams and our exhibit on farming in North Carolina. These exhibits are put together by the N.C. Department of Agriculture and Consumer Services to highlight our number one industry - agriculture. They are a great complement to the competitive exhibits program.

Finally, I would like to recognize all the superintendents who help with the competitions every year. If you have been entering items into the fair for many years, you know that these people are the heart of competitive exhibits at the N.C. State Fair. I would like to personally thank all of them for their dedication and commitment to their departments.

I am proud of North Carolina agriculture and our great N.C. State Fair and I hope you, your family and friends are too. Thank you for helping make our Fair great and truly representative of the considerable talent we have in this state.

Good luck!

Dear Fair Supporters,

I would like to thank you for taking time to look at the hundreds of competitions we have at the annual N.C. State Fair. Each year the Fair awards more than \$500,000 in premium money to the winners of our many competitions. Last year, the fair posted more than 4,000 winners on our Web site. This is the first time we have listed this many winners and we hope to do it again this year.

Please take a look at some of the new competitions we are offering this year. Among these is one geared to all the great young writers in the state. The State Fair has partnered with the *News and Observer's* Newspaper in Education program to offer an essay competition to school-aged children.

The theme for this year's fair is **Feed your Senses**. The fair is truly a place to indulge in to all your senses with the delicious food, thrilling midway rides, and first-class exhibits. Also, the fair feeds your cultural side with popular musical acts, free grounds entertainment and a historic walk back in time with the Village of Yesteryear. When you visit to see if your entry was the big winner, please be sure to feed your senses with some of the Fair's other great offerings.

If you are looking for more information on the 2005 edition of the N.C. State Fair, please go to our Web site www.ncstatefair.org. Good luck with your entries and I hope to see your name on our Web site as a competition winner. See you Oct. 14-23!

Sincerely,

Official printed forms or copies of this form MUST BE USED in making applications for entry.

One can be found in the back of the book. USE A SEPARATE FORM FOR ENTRIES IN EACH DEPARTMENT. Be sure to fill out the application form completely, accurately and legibly. Give your rural route number, post office box number, or city street address and zip code +4, telephone number and social security number.

Additional application forms are available upon request at: N.C. STATE FAIR, 1010 MAIL SERVICE CENTER, RALEIGH, N.C. 27699-1010 919 821-7400.

Incomplete entry forms will be returned for correction if there is time to do so, but REMEMBER: No article or animals will be entitled to exhibition space until proper entry has been made. No entry will be accepted after the closing date listed for each department.

Once an entry is made, it cannot be changed except where it is improperly classed or a mistake has been made in copying the original entry—in which event the changes can be made only with the permission of the Department Superintendent, or Director in charge, AND THEN ONLY IN THE OFFICE OF THE "ENTRY SUPERINTENDENT." If the records are altered and do not conform with the information on file in the Entry Department, payment of premiums will be withheld.

No person except personnel of the Entry Department will be allowed to see the entries, or have access to the entry books, until after the awards are made.

The same article or animal cannot be entered for more than one premium number (except as otherwise stated in the Special Department Rules and Regulations). Collections and displays must be made up of specimens, other than those entered in single (individual) classes unless otherwise noted.

Except for the Horse Show no entry fees are required in any department, except that livestock, poultry, and rabbit exhibitors must include payment of stall, pen, and coop fees with their applications for entry. (SEE HEAD-NOTES OF THESE DEPARTMENTS FOR SCALE OR FEES.) SEE DEPT. H, Arts and Photography head-notes for entry fees in the professional and amateur categories.

Application forms for entry should be mailed to: N.C. STATE FAIR, 1010 Mail Service Center, Raleigh, N.C. 27699-1010. Effective Monday, October 3, 2005 the Entry Department will be staffed to receive applications for entry in person.

Entry Department will be open from October 3, 2005–November 4, 2005, 8:00 a.m.-5:00 p.m.

EXHIBITS AND EXHIBITORS

The dates on which your exhibits must be in place at State Fair VARY FROM ONE DEPARTMENT TO ANOTHER. These dates are set out in the Department Headings and Rules and Regulations. Check these dates carefully so you can get your exhibits IN PLACE AT THE PROPER TIME TO BE JUDGED.

UNCLAIMED EXHIBITS FROM COMPETITIVE DEPARTMENTS, will be considered abandoned if not called for within one week after the official closing of the Fair, and may be disposed of as the Manager of the Fair sees fit. SEE SPECIAL RULES for the Culinary and Horticulture Departments.

Remember! All exhibits must be officially entered in the Fair on official printed forms provided for that purpose, before the closing date for entries in the department. No article or animal will be entitled to space or considered in the judging until proper entry has been made. Removal of exhibits before the date and time specified will be cause for forfeit of all premiums won, all fees paid, and the right to further participation in the Fair.

In all but livestock departments, entries and exhibits will remain in place through the entire fair. Release times are scheduled for the day following the fair due to the lack of parking available nearby for those to pick up entries or exhibits, and in an effort to keep vehicles off the grounds during crowded conditions. The regulation will also assure those attending the fair during the evening of the final day of seeing the same exhibits and entries as those attending earlier.

All exhibits will be numbered and recorded in the books of the proper department and class and exhibit tag with corresponding numbers will be issued. This tag must be securely attached to the exhibit and must remain on the exhibit throughout the Fair (except that exhibit tags issued for livestock and poultry may be conspicuously displayed upon the stall, pen or coop). ENTRY TAGS WILL NOT BE MAILED but will be available, at the Entry Department, Administration Building.

Once the exhibit is numbered and tagged, it should be delivered to the Department Superintendent or Director who will allocate space and either personally arrange the exhibit in a suitable and attractive display or direct such action by the exhibitor. The State Fair assumes no responsibility for the incorrect tagging of exhibits.

All exhibitors are urged to personally bring their exhibits to the Fair and enjoy the educational and recreational advantages of the annual exposition. However exhibits may be shipped or mailed to: N.C. STATE FAIR, 1010 MAIL SERVICE CENTER, RALEIGH, N.C. 27699-1010, and they will be carefully handled, officially entered, tagged, and otherwise treated in the same manner as previously described. They will be given the same consideration with regard to display and judging as exhibits personally delivered.

All exhibits shipped or mailed MUST BE PREPAID. No transportation charges for express, postage, freight or drayage will be paid by the Fair. Shipments should be carefully labeled, accompanied by a bill of lading, and properly identified inside and outside the package as to the department, class and premium number under which they have been previously entered. They should be shipped or mailed at least a week or 10 days prior to the opening of the Fair. The management will not be responsible for delayed shipments which arrive at the Fair too late to be considered in the judging.

Division Directors and Department Superintendents will have full authority over allocation of space, and will have direct supervision of all exhibits which are considered on exhibition as a part of the Fair's attractions, subject to use as these Directors and Superintendents see fit to add to the educational values of the Fair. Livestock able to be led or driven, or which will follow, must participate in parades and group exhibitions as directed by the Department Superintendent.

All livestock must be cared for by the exhibitor except as noted in the Junior Dairy Cattle and Market Cattle shows. Stalls and pens will be furnished bedding before the Fair free of charge. Thereafter exhibitors will be required to furnish their own bedding and keep all stalls and pens clean. Feed and straw will be sold on the grounds at prevailing

prices.

When exhibit tags are issued by the Entry Department for each article entered, a stub will be given the exhibitor to serve as his claim check to recover and secure the release of his exhibit. Claim checks should be guarded carefully, since Department Superintendents and Directors are not allowed to release any exhibit without presentation of the exhibit tag stub. If the claim check is lost, such loss should be reported promptly and it will be necessary for the exhibitor to furnish the Superintendent of the Entry Department proof of ownership of the article on exhibit.

Exhibits entered in the premium classes which are not claimed within one week after the close of the Fair will be considered to have been abandoned by the exhibitor and will be disposed of as the Manager of the Fair sees fit. Other exhibits, materials therein, including concession booths, which are not claimed by the exhibitor or concessionaire within 30 days after the end of the Fair will be considered to have been abandoned and will become the property of the State Fair.

The Fair management reserves the right to reject any exhibit which does not reflect merit and which would not be a credit to both the exhibitor and the Fair. Also, the right is reserved to reject exhibits which are deemed objectionable or unsuitable for exhibition. All entries are accepted conditionally pending inspection of the article or animal to be exhibited. Any article or animal which proves to be misrepresented or falsely classed will be rejected and the right of the exhibitor to further participation in the Fair will be denied.

Division Directors, Department Superintendents, and/or Judges must report disqualification of entries to the Manager of the State Fair immediately after such action is taken. **UNDER NO CIRCUMSTANCES WILL JUDGING BE CONSIDERED OFFICIAL AND PREMIUMS PAID IN A CLASS WHERE DISQUALIFICATION IS RECOMMENDED UNTIL APPROVAL OF THE DISQUALIFICATION(S) IS OBTAINED FROM THE FAIR MANAGER.**

Promiscuous advertising is strictly prohibited. Exhibitors may advertise and distribute literature and free samples from their place of exhibit only, but may not sell any article or animal from their exhibit space without a permit from the manager. The distribution of advertising matter which conflicts in any manner with a concession sold by the Management is prohibited.

Commercial exhibitors and concessionaires are responsible for keeping the space in and around their exhibits, including unused space, aisles and roadways, clean and free of rubbish. An area of 10 feet around each exhibit booth and concession stand must be thoroughly cleaned by the exhibitor or concessionaire at the end of each Fair day. Failure to do so will be cause for cancellation of contract.

No exhibit space assigned may be shared or sublet without permission of the Fair manager.

JUDGING AND AWARDS

Decision of the judges will be final, and no appeal will be considered except in cases of protest in writing, with strong evidence of fraud or violation of the rules of the Fair. Protests must be filed with the Division Superintendent not later than noon of the day following the award, and must be accompanied by a protest fee of \$5.00 which will be retained by the Fair if the protest is not sustained. The protest must be filed no later than 3 days following the award. The Division Superintendent will appoint a committee to consider the protest and all interested parties will be notified of the time of the hearing and will be given an opportunity to be heard. The rules of the International Association of Fairs and Expositions governing appeals will be those of the North Carolina Fair.

Judges will not award premiums to any article or animal because of its mere presence. It must be individual worthy. It is not the policy of the Fair to encourage indifferent

production of any kind, or to distribute premiums equally among exhibitors. No premium will be awarded to any exhibit that does not possess high intrinsic merit.

Unless otherwise specified in the Department Rules and Regulations, NO EXHIBITOR MAY WIN MORE THAN TWO PREMIUMS IN ANY ONE INDIVIDUAL CLASS, AND NOT MORE THAN ONE PREMIUM IN ANY GROUP CLASS.

No exhibitor may accompany judges during their deliberations except such attendants as are necessary to handle and show livestock and other such exhibits. Any exhibitor attempting to interfere with the judges during their adjudications, or who publicly expresses disapproval of the decision of the judges, will be excluded from further competition and any premiums previously won will be forfeited.

Fraud or deception as to breeding, or in any other form, will be exposed and exhibitor guilty of such violation will be excluded from further participation in the Fair and all premiums previously won will be forfeited.

Premiums will be paid only on the basis of the records of the judging reports, which will be signed by the judge and by the Department Superintendent or Director. Ribbons will be securely attached to the articles upon which they were awarded, if possible, but the ribbons have no value in the payment of premiums since they may become detached and find their way on to the wrong exhibit.

Entries made in wrong classes may be reclassified by the Department Superintendent, BUT ONLY IF SUCH RECLASSIFICATION IS MADE IN THE OFFICE OF, AND WITH THE APPROVAL OF, THE SUPERINTENDENT OF THE ENTRY DEPARTMENT. Records must be changed when entries are reclassified. If the records are altered and the entry department files are not changed, premiums will be withheld.

Judges, when requested, may give the reasons for their decisions embracing the value and desirable qualities of the exhibits to which they have awarded premiums.

Judges will not award premiums or ribbons to any article or animal that does not qualify for one of the classes in the State Fair Premium List.

Premiums checks will be mailed to all exhibitors no later than 60 days after the fair. Errors in premium statements will be corrected until December 31, 2005 after which time the books of the 2005 Fair are closed.

The following colors of ribbons will be used to designate awards:

RULES SPECIFIC TO THE GARDENS, DIVISION V

NEW>Gardens may be worked any time after after the third weekend in April, and must be completed by 8:00 p.m. on the Wednesday before the opening of the State Fair.

NEW>Gardens are to be started no later than the last day of September, unless an extension has been granted by the Gardens Chairperson or the Flower and Garden Show Director.

The gardens are to be educational as well as artistic and should be functional for the purpose designed. The physical features should serve the purpose intended; e.g., walks should have a destination or illusion of a destination.

Correct common name of plants must be provided. Botanical names should also be included. No artificial material is allowed.

All exhibitors must install at least two spotlights in each garden for night lighting.

NEW>Lighting should be adequate to appropriately illuminate the garden to be fully accessible for night judging and for night viewing by the public.

A 24"x24" plot plan board will be provided. Information to be put on this board must include: garden theme, garden concept statement, name of exhibitor, plot plan, list of plants and exhibitors entry tag. The exhibitor's name is to be masked from the judges view prior to judging. Failure to do so will result in disqualification. Masking will be removed after judging is completed.

NEW>A Garden concept Statement of 100 words or less should be included on the plot plan board. The concept statement is intended to allow the garden designer to relate to the judges and the public a context for understanding what he or she is trying to accomplish, and what other purposes the garden could serve (especially as the public take away ideas to incorporate into their own gardens).

An appropriate sign may be used to acknowledge suppliers and donors only. The sign is to be placed in the garden after judging and in a manner not distracting to the garden. NO signs will be allowed on the fence(s). Any sign deemed distracting and/or inappropriate by the Garden Chairman and/or Flower and Garden Show Director will be removed.

NEW>Pre-show clean up is required of all garden walkways and adjacent areas.

NEW>All exhibitors must submit an entry form to the NC State Fair Entry Department by October 1, or to the Flower House entry clerks by 1:00 p.m. on the Thursday before the opening of the State Fair.

Exhibitor must clean, water and replace dead materials in the garden daily. Pumps, fountains and lights are to be maintained in working order.

No exhibitor may enter the grounds for garden clean-out before 10:00 a.m. Monday immediately following the close of the State Fair.

Removal of garden exhibit materials must be completed by 5:00 p.m. Sunday following the close of the State Fair.

Premium checks will not be awarded until the garden plot is cleaned out. All bark and soil amendment materials are to be removed from contact with the fences and the remaining ground leveled.

Exhibitors whose gardens are cleared on Monday following the close of the State Fair, will receive their premium checks that day. Checks will be mailed approximately one week later to exhibitors whose gardens are cleared during the remainder of the clean-out period (Tuesday through Sunday).

Failure to comply with the above rules and those listed in the General Rules for Exhibitors in the Fair premium book could result in forfeiture of the premium check.

ENTRIES CLOSE: Thursday, October 13, 2005 at noon.

EXHIBITS MUST BE IN PLACE: Thursday, October 13, 2005, at 2:00 p.m.

SPECIAL NOTE TO APPLE GROWERS!!

Because of the extended duration of the N.C. State Fair it is assumed that most, if not all, apples will be out of condition by the end of the Fair. The Superintendent in charge of the fruit exhibit shall determine the method of distribution and any money received from the salvage of the apple exhibit will be divided according to the volume sold from each county exhibit and that amount will be sent to the respective county 4-H fund for use in 4-H work involving apples.

SPECIAL NOTE TO SWEET POTATO EXHIBITORS!!

Sweet potato entries will be sold at current market price by the N.C. State Fair, and monies will be sent to exhibitors according to the estimated poundage in their entry. Exhibitors wishing to pick up their sweet potato entries **MUST** inform the Superintendent at the time of entry, and are responsible for picking up their entries on Monday, October 24 by 2:00 p.m.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some - but not all- are repeated herewith for emphasis, and others apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to REJECT ENTRIES not properly entered. All entries will be judged, but not all entries will be displayed if space becomes limited. Entry form is at the back of the book. Additional copies are available upon request or may be photocopied. You must use **SEPARATE FORMS for entries in EACH SUBDEPARTMENT** - "1" Fruits and Nuts, and "2" Vegetables, and separate forms for entries in each other department of the Fair. Be sure to fill in the application form completely, accurately, and legibly. Give your rural route number, post office box number, or city street address, zip code, and social security number.

List the Department Letter "G" for Horticulture and the Subdepartment Number "1" for Fruits and Nuts, and "2" for Vegetables, for which each entry is made. Also, list the premium number and the description of the article, exactly as shown in the Premium List.

Entry Tags should be picked up at the Entry Department immediately upon arrival on the Fairground, an Entry Tag must be attached to each exhibit before it is presented in the Department for display. Variety names are to be written on the backs of the tags.

As far as possible, it is urged that all horticulture products be brought in and prepared for exhibit by the exhibitor. Where it is not possible, **shipments** with completed entry forms should be mailed in time to reach the Fairground no later than Wednesday, October 12, and should be addressed to: Superintendent, Horticulture Department, N.C. State Fair, 1010 Mail Service Center, Raleigh, NC 27699-1010.

Where it is not possible to personally bring the products to the Fair and arrange them, Superintendents will be glad to arrange the products in the most attractive manner possible. However, they will not pack, plate, box or basket entries for exhibit. Exhibits mailed or shipped to the Fair should be carefully labeled to show the name and address of the exhibitor, and the nature, and class in which entered, and the contents of the package.

The State Fair will furnish PLATES, TRAYS AND BOXES for exhibits, but no other containers. The number of specimens for each PLATE display is specified in the premium list. *Standard size tray, 11 1/2 x 18 inches inside measurements and 6 inches deep will be used. Standard size box, 11 1/2 x 18 inches inside measurements and 6 inches deep will be used for commercial sweet potato categories. All other commercial categories will use the 3 inch deep tray. Exhibitors should make a tray of the required dimensions and pack the exhibit to determine the number of specimens required.* At least one extra specimen for each plate, and three or four extra specimens for each tray, should be brought or shipped to the Fair to allow for possible damage in transit. To insure uniformity in exhibit material and to facilitate judging, the following sizes for apple varieties will be recognized. This list is not exclusive. The Superintendent may add or delete varieties in order to maintain the overall quality of products on display.

Variety	Diameter
Arkansas	3 to 3 1/2 inches
Braeburn	2 3/4 to 3 inches
Fuji	2 3/4 to 3 1/4 inches
Gala	2 3/4 to 3 1/4 inches
Golden Delicious	2 3/4 to 3 1/4 inches
Granny Smith	3 1/8 to 3 3/8 inches
Jonagold	2 3/4 to 3 1/2 inches
Jonathan	2 3/4 to 3 inches
Red Delicious and named bud sports	2 3/4 to 3 1/4 inches
Rome and named bud sports	3 to 3 3/4 inches
York and named bud sports	3 1/8 to 3 3/8 inches

Fruits and vegetables to be exhibited in plates and trays should be carefully wrapped and packed for shipment to the Fair. Wrap separately in paper and pack firmly in a box, taking care to avoid bruising. Label each variety plainly and put in dividers to keep varieties separated. Do not use hay, fodder, excelsior or any other dusty packing material. **Any exhibit that rots, is unsightly or becomes unsightly** will be removed from display (after judging) at the discretion of the superintendent.

QUALITY - NOT QUANTITY

In selecting horticultural products for exhibit, choose only those specimens that are of uniformly good quality, form and color, true to type, and free from all insect and disease blemishes, and free from cuts and bruises. Premiums offered for the best collection of fruits or vegetables will be awarded MAINLY ON THE BASIS OF QUALITY. Do not knock or shake fruit from the tree, but pick each specimen by hand. Products should be exhibited as nearly as possible in their natural state, and no preference will be given for highly polished fruits or vegetables.

Entries of "Commercial" containers of apples and sweet potatoes should be graded to uniform marketable size, high color, smoothness, trueness to type, freedom from cuts and bruises, and free from insect and fungus blemishes. They should be properly packed and placed in containers provided by the N.C. State Fair.

Entries of "Collections" and under "Any Other Variety" must be correctly named on the entry tag by the exhibitor. In the nomenclature of fruits, the names adopted by the American Pomological Society shall rule, and no variety will be accepted that has not been admitted to their catalog, except in the case of seedlings never before exhibited.

Entries of heirloom apples and heirloom tomatoes are limited to named varieties known to have been grown for at least 100 years. Name of variety must be on the back of the entry tag.

Grower's name may not be displayed on exhibit until after the judging.

AWARDS AND JUDGING

No award will be made for unworthy specimens, where quality is lacking, or where any of the Rules and Regulations governing these exhibits are disregarded.

No article entered for competition in any class will be permitted to compete for a premium in any other class. AN EXHIBITOR CANNOT COMPETE FOR MORE THAN ONE PRIZE IN ANY CLASS.

No exhibitor will be allowed to discuss exhibits with the judges, or to interfere in any way while the judges are at work.

INDIVIDUAL ARTIST CATEGORIES

1. All painting, drawing, print & photograph entries in these categories must be framed and **wired** for hanging. "Wrapped canvas" (no staples visible, not canvas panels) with finished sides are acceptable. **Saw tooth hangers and loops will pull out of the hooks used to hang artwork and are unacceptable.**
2. No entry in any classification can exceed 36" total in any dimension and weigh no more than 40 pounds. **Maximum dimension includes frame, base, etc.**
3. No entry will be accepted that is wet, perishable or deemed unstable in any way.
4. No names (other than artist's signature), addresses, business cards, etc. can be visible on the front of the entry in the Professional and Amateur categories (this does not apply to Student and School categories). Names must be on the **back** of entries (address and phone number are optional). Although this is not a selling show our art show staff will do everything possible to put buyers and artists together.
5. Professional artists may submit up to 2 entries. The Professional show is a **juried show** and all entries may not be selected by the judges for exhibition. Amateur and Student artists may submit one entry only. These two categories are non-juried and all entered works will be displayed as space allows.
6. Artists must decide which category to enter their work into. You may not enter into more than one category.
7. **Any entry that does not meet framing, size and weight restrictions and other criteria listed above will be disqualified and will not be exhibited.**
8. Read the delivery and deadline date section carefully and make sure your entry is delivered on time. You are strongly urged to mail your registration form in early to avoid waiting in line.
9. Entry fees (if applicable) are non-refundable. Checks are to be made out to "North Carolina State Fair" and should be attached to the entry form.

10. Artists must decide whether their work is to be entered into professional or amateur categories (see descriptions below). Student category is for students in grades K-12 who do not have an entry in the school classification. If a student feels their work is on a level to compete with adult amateur or professional artists, they may enter their work into that category. **However, they may enter work into one category only.**

PROFESSIONAL: \$10.00 entry fee per person for up to 2 entries. Entries will be juried by a competent out-of-state judge(s). Only the judge's choices will be hung. A professional is an artist who earns substantial income from selling their finished work or teaching.

AMATEUR: \$5.00 entry fee per person for one entry. All amateur art works will be exhibited AS SPACE ALLOWS. An amateur is an artist who is just beginning an art career, creates a very limited amount of fine art and does not earn substantial income from selling their finished work or teaching.

STUDENT: No entry fee. One entry only. All student art works will be exhibited AS SPACE ALLOWS. This category is for students, grades K-12, in public, private and home schools who wish to enter one piece on an individual basis. **This category is not judged with the school category. All entries in this classification must be framed. Unframed entries will not be displayed.** Entries must have name and age on the front of the piece, and address and phone number on the back. Entries created by seniors must have a red dot on the front in the lower right corner of frame to compete for senior gift certificate awards.

SCHOOL CATEGORIES

1. Each school in North Carolina is invited to submit six (6) individual entries by six (6) individual students. Entries should have been done as part of a school assignment within the last year.
2. All entries must be mounted or matted with a substantial hanging device attached. (Entries received without substantial hanging devices will be punched so the work can be hung from paired hooks). Though not required in this category, framed entries are welcome.
3. No entry in any classification can exceed 36" total in any dimension and weigh no more than 40 pounds. **Maximum dimension includes frame, base, etc.** School entry must fit within a 64 square foot display panel (8 feet high x 8 feet wide).
4. The school name must be written on the back of each entry. The grade level and student's name and age must be on the front of the entry (e.g. on a label attached to the mat). School entries must arrive together in a group at one time and should be boxed or wrapped for ease in handling and identification. Boxes or cases that are clearly marked with the school name may be left for storage and to expedite return of entries after the exhibition closes.
5. Entries created by seniors must have a red dot on the front in the lower right corner of frame to compete for senior gift certificate awards.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some - but not all - are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken. Display Booths must be reserved on or before July 1. Booths not requested by this date will be assigned by invitation. Booth space will be allocated on basis of show record of applicant if there are more applicants than available space. Booth space assignments will be made before 4:00 p.m. Wednesday, October 12, 2005. Exhibitors may begin setting up displays at 4:00 p.m. Wednesday, October 12 and must be in place for judging by 2:30 p.m. on Thursday, October 13, 2005. There will be no peddling, hawking, or selling of any kind in or around booths that is not in keeping with Fair policy.

Booths must be kept clean and neat. All items not on exhibit must be removed from exhibit area or stored in storage space under the booth. No boxes or other material shall be left on the floor behind the booths.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. Be sure to fill in the application form *completely, accurately and legibly*. Give your rural route number, post office box number, or city street address and zip code, phone number and social security number.

Any name or reference to the exhibitor (other than entry number) on any entry including the display booth must be covered prior to judging. Preference in judging

displays will be given to those exhibits made during the current season or which bring a significantly new look to their previous display.

All honey entries are limited to honey made in North Carolina during the current season. Preference in judging will be given to those beeswax entries which were made during the current season. All honey and beeswax entered by an exhibitor must have been produced by the exhibitor. All types of honey displayed must be protected from honeybees and other insects. Cellophane, glass, or transparent material of some other suitable type is recommended for this purpose.

Live bees and queens must be displayed in escape-proof observation hives or queen cages.

Observation hives must be cared for during the week. Dead bees must be removed at intervals. Bees must be given cleansing flights or exchanged for fresh bees. Due to space limitations, observation hives may not exceed a size equivalent to three standard frames.

All exhibits must be of required color, quality, and condition in order to receive premiums and prizes. No premium will be given to any one entry through lack of competition if the entry is of inferior quality.

There is a limit of one entry per person for each listed category.

Exhibitors are urged to personally deliver their exhibits at the Fair, but if this is not possible PRE-PAID shipments of non-perishable entries will be accepted if addressed to DIRECTOR, BEES AND HONEY DEPARTMENT, N.C. STATE FAIR, 1010 Mail Service Center, Raleigh, NC 27699-1010. Shipments should be carefully labeled and should indicate on the outside and inside of the package the Premium Number under which entered, a description of the contents of the package, and the exhibitor's name and address. Instruction for return or disposal of shipments at the end of the Fair must accompany each shipment. Exhibits should be brought to the Entry Office to pick up tags. Entry forms may be completed and mailed any time after the premium book is received. This will eliminate waiting for the tags to be completed. All entry forms must be delivered by 5:00 p.m., Wednesday, October 12. Foods cooked with honey must be in place for judging by 2:30 p.m., Thursday, October 13. Display booths must be set up on Thursday prior to judging time. Return shipments will be made via express with transportation charges collect unless otherwise provided for. Entries in Department I may be claimed between the hours of 8:00 a.m. and 12 noon, Monday, October 24. Baked and other perishable entries must be personally delivered to the Fair and will become property of the Fair and discarded if not claimed by 12:00 noon, Monday, October 24, 2005.

Comb honey and all other exhibits should be packed with care, according to parcel post or express regulations, so as to arrive in good, clean condition.

Additional entry application forms and further information regarding this department may be obtained by writing or otherwise contacting: Plant Industry Division, North Carolina Department of Agriculture, phone (919) 233-8214, or N.C. State Fair, (919) 821-7400 (address above).

FOODS COOKED WITH HONEY

1. All entries in this class must contain honey as one of the principal sweetening ingredients.
2. The purpose of this competition is to demonstrate skill in the use of honey in cooking. Therefore, the proportion of honey in the recipe will be a primary consideration in scoring by the judges. There are no other ingredient restrictions, and commercial mixes may be used. Factors such as whether the entry is representative of the entered class and freshness of the product will be considered in the judging. It will be the responsibility of the exhibitor to see that entries are correctly classified and tagged. The score cards used in Department "W" (Culinary) Class 2 will be used as guides in judging foods cooked with honey.
3. Place cakes on pieces of **very heavy** cardboard which has been covered with foil or was paper. Cardboard should extend one inch beyond the cake on all sides.

Punch a hole in the cardboard base so an entry tag can be tied through it. An entry tag will be provided when the entry is delivered. Place the unwrapped entry in a large clear food grade plastic bag (plastic wrap is not acceptable) with the entry tag extending outside the bag. **You must supply your own plastic bag. None will be available at the Fair entry office.** Entries may be transferred to clear plastic containers by the judges for display. Any liquid entries should be in disposable containers.

4. Entries must be prepared from ingredients compatible with commonly accepted recipes for the class in which they are entered. Each entry must be accompanied by a recipe on a 3x5 or suitable card using only one side of the card (may be placed in a zip lock bag). Exhibitors are required to enter at least 1/2 of a cake and bread for judging. Junior and Senior entries cannot be from the same cake. Commercial mixes are acceptable but not ranked as highly as items made from scratch. All entries will be discarded at the end of the Fair unless other arrangements have been made with the superintendent. Assistance may be provided to Junior participants but the entry must be primarily the effort of the entrant.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this division. **BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some - but not all - are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this Division.

ENTRIES

MAKE YOUR ENTRIES EARLY!! The right is reserved and will be used to reject entries received after all available space is taken, even though this occurs before specified time for closing entries.

Official printed forms must be used in making application for entry. One will be found in the back of this book. Additional copies are available upon request. Use a separate form for making entries in each department. *Be sure to fill in the application form completely, accurately, and legibly.* Give your rural route number, post office number, or city street address, zip code, Social Security Number or Federal ID Number, and telephone number, including area code.

Indicate on the form the total number of animals you will exhibit and the total number of stall spaces or pens you will require, including those to be used for tack, feed and bedding.

List the class number, as indicated in the premium list, for which each entry is made. *Use a separate line for each animal.* Do not make entries in the Championship classes. Indicate if you plan to make entries in the group and/or herd classes. But it is not necessary to name the animals which will make up your group or herd until after judging of the individual classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List, also, on the application form the name (or ear tag number) and registry number of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the superintendent. All beef cattle and swine over six months of age and all sheep over three months of age must be registered with their respective breed associations in the name of the bonafide owner, who must show official evidence of ownership of animal at least 30

days prior to showing. (See exceptions to this rule for group classes only in some departments.)

Each breed of livestock must be exhibited by more than one farm if the breed is to be considered for continuance in the 2005 N.C. State Fair Premium List.

FEES

Entry fees are required for all entries in the senior and open classes of the Livestock Division. *Entries exclusively in the junior livestock shows are not subject to fees.*

All applicants for entries must be noted on the entry form, AND REMITTANCES FOR SAME MUST ACCOMPANY THE ENTRY APPLICATION FORM. Reservations will not be made unless accompanied by the required fee and REMEMBER: THE RIGHT IS RESERVED TO REJECT ENTRIES AFTER ALL AVAILABLE SPACE IS TAKEN. ENTRIES WILL BE ACCEPTED IN THE ORDER RECEIVED.

Be sure to indicate on the form the total number of animals you will be bringing and pay for up to two (2) additional spaces for tack and feed. Include remittances for these extra stall spaces or pens you will require, as well as for those actually required for the animals you will exhibit in the competitive classes.

Animals duly entered in the show which will be exhibited competitively in the show ring will have priority on stall and pen space; thereafter, should additional space be available, display animals will be assigned stall or pen space.

The following fees will govern:

Cattle - per head	\$5.00
Swine - per head	\$2.00
Sheep - per head	\$2.00
Cattle (pen of 3) Feeder Calves	\$7.00
Individual feeder Calf	\$5.00
Goats per head	\$5.00
No pen fees for Junior Entries

Any animal of the above species entering the fairgrounds *regardless of their purpose of entry* must meet the requirements that are listed above for that species. All equidae, six months old and older, must be accompanied by an official negative test for Equine Infectious Anemia within 12 months of entering the fairgrounds. This includes equidae in pony rides, exhibits, petting zoos, and competition events.

Animals from out-of-state must have negative test results for brucellosis within 30 days and tuberculosis within 60 days for all animals six months old and older. (Llamas, vicunas, alpacas, and guanacos are exempt from Tuberculosis and brucellosis testing.)

The certification statement "***The herd of origin has had no brucellosis or tuberculosis diagnosed within the past 12 months***", must be included on the certificate.

EXHIBITS AND EXHIBITORS

Only vehicles operated by the Fair management will be allowed in the barn area.

The Fair management will use diligence to ensure the safety of livestock entered for exhibition or display, but under no circumstances will it be responsible for loss, injury, theft or damage by fire, lightning, wind, or any other agency, to such livestock on exhibition or display.

All livestock on exhibition must be cared for by the exhibitor (except entries in Special Junior Dairy Cattle Exhibits). All stalls and pens (except entries in Special Exhibits) will be well bedded one time by the Fair, free of charge. Thereafter, exhibitors will be required to furnish their own bedding.

The Fair reserves the right to discriminate against both excessive obesity, which cannot be a profitable condition for breeding animals and excessive leanness, in which conditions are unfit for exhibition.

No barren animals will be eligible in breeding classes. An affidavit that an animal is a breeder must be furnished on request.

All cattle must be halter-broken. Boars over one year of age must have their tusks removed.

A great educational feature of the Fair is the exhibitions and parades of approved livestock by breeds and ages. Exhibitors refusing for any cause not meeting with the approval of the management to lead out animals for parade will not only forfeit all premiums won, but will be barred from further participation in the Fair, and will be required to remove their stock from the Fairground within six hours after such refusal, and will forfeit any fees paid.

Misrepresentation as to breeding and irregularity in showing will be exposed and any premium won by such exhibitor will be withheld. Certificates of registration must be shown on demand of the Livestock Superintendent.

Any artificial means of removing or remedying physical defects or conformation in exhibition animals, including the use of steroids and other drugs, as well as lifting, dyeing or filling under the skin, will be considered fraud and deception. The North Carolina State Fair Management reserves the right to test the grand and reserve champion barrow, steer, and wether, and to conduct other random testing as deemed appropriate. The grand and reserve champions may be sampled at the fair. Exhibitors involved in any such treatment will be barred from exhibition at this Fair, and all Fairs holding membership in the International Association of Fairs and Exposition will be notified.

Exhibitors must keep the space in the rear of their stalls or pens, and the alleyways in the exhibition halls, clear and clean. All litter must be deposited where directed by the Superintendent of Directors.

Animals must be transported to and from the Fairgrounds at the expense of the exhibitor, except for some Junior Exhibitors. The Fair management will not pay any charges for express, freight, or drayage.

Exhibitors are responsible for ascertaining when their stock will be judged. Animals must be in the show ring promptly after being called. Exhibitors failing to comply with this rule may have their animals excluded from competition.

Exhibitors are not allowed to make substitutions between breeds. One substitution may be made within the breed.

JUDGES AND AWARDS

NO EXHIBITOR MAY RECEIVE MORE THAN TWO PREMIUM MONIES IN ANY ONE CLASS. However, ribbons will be awarded exactly as the animals are placed by the judge. EXAMPLE: An exhibitor makes three entries in a class, and his animals place "First", "Second" and "Third". He would receive only the first and second premium monies, but all three ribbons. Then, the owner of the animal placing "Fourth" would receive the third-place premium money and the fourth-place ribbon; and so on down the line.

The decision of the judges will be final, and no appeal will be considered except in the case of protest. The rules of the International Association of Fairs and Expositions govern appeals at the North Carolina State Fair. Protests must be in writing and filed with the General Livestock Director by noon of the day following the award, accompanied by a protest fee of \$5.00 which will be retained by the fair if the protest is not sustained by an impartial protest committee appointed by the General Livestock Director. No unworthy animal will be awarded a premium. Where there are fewer animals shown in the class than the number of premiums offered, the judge may, at his/her discretion, award a prize or prizes of such grade as the animal or animals deserve.

Where there is only one entry in a class, second premium will be awarded unless in the opinion of the judge the animal is sufficiently meritorious as to justify the full award as provided for.

HERDSMEN'S CONTESTS

Special prizes will be awarded in contests for herdsmen, shepherd and caretakers of animals in all livestock departments. All herdsmen will automatically be considered entrants and no special entry is required. Judges will be assigned by the Livestock Director. The contests will start at a time designated by each Department.

The following score card will serve as the basis for the judges in the Herdsmen's contest making their decisions.

LIVESTOCK HALL OF FAME

The Livestock Advisory Board has approved the creation of the North Carolina State Fair Livestock Hall of Fame to recognize and honor outstanding supporters of the Fair. Individuals will be inducted each year, beginning with an inaugural ceremony during the 1980 Fair, based on their activities supporting the Fair and their length of service.

Candidates for induction can be producers of livestock that have exhibited and promoted livestock shows at the fair, or a person who has served as a fair employee, representative of business, extension workers and others from agricultural organizations. Their contributions have occurred in the past as well as the present, and deceased nominees will be considered.

Pictures of the inductees will be framed and displayed in the Jim Graham Building.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Livestock Division and the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some-but not all-are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this Department.

MAKE YOUR ENTRIES EARLY!! The right is reserved to reject entries received after all available space is taken and after the closing date.

Official printed forms must be used in making application for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for making entries in other departments and separate forms for the Junior and Senior Shows. *Be sure to fill in the application form completely, accurately, and legibly.* Give your rural route number, post office box number, or city street address, zip code, social security or federal ID number. Entries in Open Show must be made in the name of the owner as recorded on registration certificate.

Exhibitors are not allowed to make substitutions between breeds. Two substitutions per exhibitor may be made within a breed.

Indicate on the form the total number of animals you will exhibit, and the total number of stall spaces you will require, *including those to be used for gear, feed and bedding.* No fee is required for entries exclusively in the Junior Show. Junior entries wishing to show in the open show will be required to pay stall fee in accordance with open show registration. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List the class number, as indicated in the premium list, for which each entry is made. *Use a separate line for each animal.*

List, also, on the application form the name and registry number of each animal entered, its date of birth, and its sex. Bring your registration certificates to the Fair; they must be shown at any time if requested by the Superintendent. Registration papers will be required at the time of show of all group classes.

All animals over six months of age must be registered with their respective breed associations in the name of the bona fide owner.

In breeding classes, to be eligible to show, all cows 36 months of age or older must have produced a calf carried to maturity within the last 12 months prior to the opening date of the Fair. In case the exhibitor, upon demand of the superintendent, cannot verify by affidavit or registration certificate the facts of the above requirements, the animal will be excluded from competition.

In making awards in the breeding classes, the judge will lay much stress on the evidence of superior breeding qualities. When animals show evidence of being "overdone" (overloaded with flesh) they will be discriminated against accordingly.

FEES

Entry fees are required for all entries in the senior and open classes of the livestock Division. *Entries exclusively in the junior livestock shows are not subject to fees.*

All applicants for entries must be noted on the entry form, **AND REMITTANCES FOR SAME MUST ACCOMPANY THE ENTRY APPLICATION FORM.** Reservations will not be made unless accompanied by the required fee and **REMEMBER: THE RIGHT IS RESERVED TO REJECT ENTRIES AFTER ALL AVAILABLE SPACE IS TAKEN. ENTRIES WILL BE ACCEPTED IN THE ORDER RECEIVED.**

Be sure to indicate on the form the total number of animals you will be bringing and pay for additional spaces for tack and feed. Include remittances for these extra stall spaces you will require, as well as for those actually required for the animals you will exhibit in the competitive classes.

Animals duly entered in the show which will be exhibited competitively in the show ring will have priority on stall space; thereafter, should additional space be available, display animals will be assigned stall space.

Mail entries, make check for stall fees payable to, and address requests for additional application forms and further information to N.C. STATE FAIR, 1010 Mail Service Center, Raleigh, N.C. 27699-1010.

THE PUREBRED DAIRY CATTLE ASSOCIATION

Show Ring Code of Ethics

The showing of registered dairy cattle is an important part of the promotion, merchandising and breeding program of many breeders. Additionally, it is an important part of the program of the various dairy breed associations to stimulate and sustain interest in breeding registered dairy cattle. This relates to both spectators and exhibitors. In this connection, The Purebred Dairy Cattle Association believes that it is in the best interest of the breeders of registered dairy cattle to maintain a reputation of integrity and to present a wholesome and progressive image of their cattle in the show ring. It recognizes that there are certain practices in the proper care and management of dairy cattle which are necessary in the course of moving dairy cattle to and between shows that are advisable to keep them in a sound, healthy condition so that they might be presented in the show ring in a natural, normal appearance and condition. Conversely, it recognizes certain practices in the cataloging, handling and presentation of cattle in the show ring which are unacceptable.

The following practices or procedures are considered unacceptable and defined as being fraudulent and/or unethical in the showing of registered dairy cattle.

- (1) Misrepresenting the age and/or milk status of the animal for the class in which it is shown.
- (2) Treating the animal, particularly the udder, internally or externally, with an irritant or counterirritant, or other substance to artificially improve the conformation.
- (3) Surgery or insertion of foreign material under the skin, performed to change the natural contour or appearance of the animal's body, though not to preclude practices required or involved in normal management.
- (4) Criticizing or interfering with the judge, show management or other exhibitors while in the show ring, or other conduct detrimental to the breed or the show.
- (5) Setting teats or manipulating a teat to alter its normal position such as to unnaturally hold its plumb or to alter its length.

The following practices and procedures are considered to detract from the image of the show ring when carried to excess and will be given slight to serious discrimination in placing animals within class.

- (1) Excessive manipulation of hair.
- (2) Use of artificial hair except for false switches.
- (3) Unsportsmanlike conduct on the part of showmen.
- (4) Improper fitting practices such as over filling and over bagging.

Practices which should be encouraged to enhance the image of the show:

- (1) Establish uniform dress code for exhibitors in the show ring.
- (2) Recognize good herdsmanship and exhibits in the barn in keeping with the basic philosophy of the PDCA, ethics are an individual responsibility of the owner of each animal shown.

Violations of these policies are subject to the disciplinary provisions of the appropriate dairy breed association and/or show management.

HERDSMEN'S CONTEST

All herdsmen in charge of dairy animals entered in the Senior "Open" Show will automatically be considered entrants in this contest, designed to promote neatness, courtesy, attention to show requirements, and all around efficiency on the part of personnel in charge of animals on exhibit. The contest will start Thursday, October 20 at noon and will continue until noon Sunday, October 23 at which time the winners will be announced. The score card which will serve as the basis for the judges making their decision will be found under the General Rules and Regulations of the Livestock Division.

HEALTH REGULATIONS

Health regulations of the Veterinary Division of the N.C. Department of Agriculture will be strictly enforced. BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION" before entering or competing in this department.

Every precaution should be taken on the part of the exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All trucks used for transportation of cattle to the Fair should be thoroughly cleaned and disinfected before use. Vehicles regularly used for the transportation of animals are considered "exposed" premises under the health regulations of the Veterinary Division.

MILKING FACILITIES

Facilities for milking will be available for exhibitors with lactating cows. Exhibitors are encouraged to use these facilities and avoid milking cattle in open pails in the barn. **Anyone caught adding milk containing antibiotics to the bulk tank will have premiums withheld.** The facility will open Wednesday, October 19, at 6:00 p.m. and will close Monday, October 24, at 8:00 a.m.

FEEDING AND BEDDING

Bedding will be available on the grounds. Exhibitors will need to bring feed and bedding with them or arrange purchase of same off the grounds.

ALL NURSE COWS HAVE BEEN RULED OUT and will not be allowed on the fairgrounds.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the championship classes. *Use a separate line for each animal.* Indicate if you plan to make entries in the group classes, and name the animals which will make up your group entries. Entries in the group classes must have previously been exhibited in the individual classes.

List, also, on the application form the name registry number of each animal entered, its date of birth, its sex, the names and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair. Animals without original registration certificates will not be eligible to show. **No photo copies will be accepted.**

All animals over six months of age must be registered with their respective breed association in the name of the bona fide owner, who must have owned the animal for at least 30 days prior to the date of the show. No Exhibitor may win more than two premium monies in any one class.

Failure to properly display exhibitor/entry number during show will constitute forfeiture of premiums.

Health regulations of the Veterinary Division of the N.C. Department of Agriculture will be strictly enforced. **BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION"** before entering or competing in this department.

Every precaution should be taken on the part of exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All cars and trucks used for transportation of animals are considered "exposed premises" under the health regulations of the Veterinarian Division.

First place winners in individual classes are eligible to compete for Championship awards. Other first place winners in individual classes, plus the second place winner in the individual class which produced the Champion, will be eligible to compete for Reserve Championship awards.

A breed must have more than 30 head shown in the individual classes to maintain a show.

If a breed drops below 30 head in the show, it will automatically be placed on a one-year probation. If the breed falls below 30 head two consecutive years, the show will be dropped.

For a breed to start a new show, the application must be made to the State Fair

General Livestock Director along with assurance of at least 30 head by December 1 preceding the date of the proposed show. An official show classification from the breed registry must also accompany all requests.

All breeds desiring a live animal display will make the request in writing to the State Fair General Livestock Director by September 1. Regular breeding cattle tie spaces will be assigned by the beef superintendent not to exceed 8 tie spaces including tack. The display cattle will be subject to the same rules and regulations as the open show entries.

Official Breed representatives are encouraged to attend the show and check animals to be shown. However, they must complete their duties and inform the Livestock Office 20 hours prior to show time or not later than 4 p.m. the day preceding their respective show whichever is greater.

KA535 - Premier Exhibitor Class - Will be computed from exhibitor's placement in individual classes only as follows: 3 points for each First; 2 points for each Second; 1 point for each Third. Maximum number of placements used to determine winner shall be limited to 5. (In case of tie, group class placements will be used to determine the winner).

GROUND RULE

In our Standard Show Classification only the Premier Breeders Class specifies "owned by the exhibitor." The other group classes need not be owned by exhibitor, therefore cannot be used to break ties.

To correct the possibility of a tie for Premier Exhibitor Class, where a tie exists through 5 placements, and neither exhibitor has an entry in the Premier Breeder Class, additional placements (beyond the stated 5 limitation) in the individual classes will be used, but only to the point where the tie is broken.

JIMMY SMITH MEMORIAL AWARD

The N.C. Simmental Association will be presenting an award to an outstanding Simmental exhibitor in the Junior Beef Heifer Show in memory of the late Jimmy Smith of Cove City. Jimmy Smith was a strong supporter of the Junior Beef Heifer Show by providing heifers for many urban and rural youth to show, and providing guidance both inside and outside the show ring. A belt buckle will be awarded to a Junior Simmental exhibitor that shows good sportsmanship, leadership and good conduct throughout the Junior Show weekend. Assisting other exhibitors, helping to keep the barn clean and promoting agriculture will be taken into account by the selection committee. This award will be determined by a committee assigned by the N.C. Simmental Association, and will be presented during the Junior Simmental Show.

MILEAGE PAYMENTS

The State Fair Management will pay mileage compensation for animals exhibited in the Junior Heifer Show as outlined here. Payment will be made for each animal based on the distance (one-way) between the county seat of the county involved and Raleigh. For computing mileage, the official Highway Map issued by the State Department of Transportation will be used. Payments will be made on the basis of \$.25 per animal, per mile.

MILEAGE \$0.30

BEEF SUPER SHOWPERSON AWARD

The objective of the Beef Super Showperson Award is to provide recognition to youth that have developed proper showmanship skills through work with their livestock projects. These skills will be evaluated separately from the quality of the animal shown while the youth exhibit an animal in the Junior Market Steer and Heifer Shows. The showperson judge, a second official, will select the youth solely on their showmanship ability.

Youth are automatically entered into this showmanship competition. Youth must exhibit the animal they entered to be fully eligible for the award. Youth that show for another exhibitor will **NOT** be eligible.

Recipients of the Super Showperson Award will be recognized at the conclusion of each class. A **one time** monetary award of \$25.00 and a Beef Super Showperson pin will be provided by the NC State Fair to each exhibitor honored. Youth may be recognized in more than one class if circumstances merit the award.

Youth to be recognized will not be a set number. No minimum or maximum quotas exist. The showmanship judge will simply recognize all youth that are deserving of the Super Showperson Award.

MILEAGE PAYMENTS

The State Fair Management will pay mileage for animals exhibited in the Junior Market Lamb Show as outlined here. Payment will be made for each animal (limited to 25 per county) based on the distance (one way) between the county seat of the county involved and Raleigh. For computing mileage, the official highway map issued by the State Department of Transportation will be used. Payment will be made on the basis of \$.20 per animal per mile.

MILEAGE \$0.20

SHEEP SUPER SHOWPERSON AWARD

The objective of the Sheep Super Showperson Award is to provide recognition to young people who have developed proper showmanship skills while working on their livestock projects. These skills will be evaluated separately from the quality of the animal shown, and will be judged while the youth exhibits an animal in the Junior

Market Lamb or Junior Ewe show. The Judge will select the youth solely on their showmanship ability.

Exhibitors are automatically entered into this showmanship competition. Exhibitors must be showing animals they entered to be eligible for the award. Youth that show for another exhibitor will not be eligible.

Recipients of the Super Showperson Award will be recognized at the conclusion of each class. A **one time** monetary award of \$25 and a Sheep Super Showperson pin will be provided by the North Carolina State Fair to each exhibitor honored. Youths may be recognized in more than one class if circumstances merit the award.

There will not be a set number of youths recognized. In other words, no minimum or maximum quotas exist. The Judge will simply recognize all youths that are deserving of the Super Showperson Award.
SHOWMANSHIP \$25 (and pin)

JUNIOR SHEPHERD'S CONTEST

Up to five equal awards (\$20) will be presented to the top placing individuals in the Junior Shepherd's Contest. All junior sheep exhibitors are automatically considered to be entrants in this contest designed to promote neatness, courtesy, attention to show requirements, and all around efficiency on the part of personnel in charge of the animals on exhibit. The contest will start at 4:00 p.m., October 13, 2005 and will continue through 5:00 p.m., October 15, 2005. Refer to "Herdsman's Contest" section of the General Rules and Regulations of the Livestock Division. Signs that clearly indicate where the sheep are from and who is exhibiting them are recommended, as are other decorations or educational exhibits that will interest the general public. Using a pen for equipment/feed disqualifies contestants because all pens are intended to have sheep in them.

RELEASE TIME: Friday, October 21 at 8:00 a.m. and positively not before that date and time. All animals must be removed from the grounds by 10:00 a.m. Premiums will be forfeited if animals are removed from pens before 8:00 a.m.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the Rules and Regulations of the Livestock Division, and the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some — but not all — are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject applications received after all available space is taken.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments—including Department S-1 - Junior Ewe Show.

BE SURE TO FILL IN THE APPLICATION FORM COMPLETELY, ACCURATELY AND LEGIBLY. Give your rural route number, post office box number, or city street address, and zip code and telephone number. Be sure to include exhibitor Social Security Number or Federal Tax ID Number.

Indicate on the form the total number of animals you will exhibit. Payment of \$2.00 per animal entered must accompany your application. Pen space will be assigned by the Superintendent. Please indicate on entry form if your animals need to be penned adjacent to another exhibitor.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the Championship classes. Indicate if you plan to make entries in the flock classes, but it is not necessary to name the animals which will make up your flock entry until after the judging of the individual classes. Entries in flock classes must have previously been exhibited in the individual classes.

Substitutions will be accepted for animals within the same class only. Substitution can be made only in the name of the original owner-exhibitor as listed in the entry catalog. No additional entries will be accepted after entries have closed.

All animals over three (3) months of age if entered as purebred must be registered with their breed association in the name of the bona fide owner, who must have owned the animal for at least 30 days prior to October 1, 2005. Cross bred animals must be entered in the name of the bona fide owner who must be able to show proof of ownership for at least 30 days prior to October 1, 2005. Registered animals for which no registration papers are furnished will be shown as commercial.

NOTE: Fleece class is NOT a "FLOCK" class. Entry fee of \$2.00 will be charged per animal and entry must be listed with usual information on the entry form. Fleece classes are open to yearling rams, ram lambs, ewes and wethers of any age.

List on the application form the registry number, date of birth, sex and number of each animal shown as purebred. Registration papers will be checked prior to the show. Age of purebred ewes may be obtained from registration certificates. Commercial ewes will be mouthed at check in. All junior lambs must have all temporary teeth in place at the time of the show. Commercial yearling ewes which have shed their second pair of temporary teeth will be shown subject to approval of the Superintendent. Superintendent will rule on all other questions regarding age.

ALL SHEEP MUST BE CLEAN AND PROPERLY FITTED TO QUALIFY FOR ENTRY IN THIS SHOW.

No exhibitor may win more than two premium monies in any one class.

Each exhibitor will be limited to one entry in each of the group classes.

Only one person per sheep is permitted in the show ring except in the exhibition of yearling, fall lambs and group classes.

The health regulations of the Veterinary Division of the NCDA will be strictly enforced.

Be sure to read these under "Rules and Regulations of the Livestock Division" before entering. Any questionable health problems will be referred to the livestock director and/or the State Veterinarian. Animals with obvious abscesses (opened or unopened), ringworm, soremouth or any other contagious disease **WILL NOT BE ALLOWED IN THE BARN. All sheep must be appropriately identified and comply with USDA and NCDA&CS Scrapie Eradication Program guidelines. Call 1-866-USDA TAG (873-2824) or 919 855-7707 for more information.** Mail entries, make checks for entry fees payable, and address requests for additional application forms and further information to: NC State Fair, 1010 Mail Service Center, Raleigh, NC 27699-1010. RULES AND REGULATIONS

(See Poultry Exhibitors Certificate in the Back of this Book)

Except in cases of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THE BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some - but not all - are repeated here for emphasis, and other of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments of the FAIR. *Be sure to fill out the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address, and zip code - telephone number.

In filling out the form, write "Poultry" or department letter "Q" in the first column headed: "Dept." In the next column headed: "Class no." write the letter "A" if your bird is entered in the "Standard Breed Show," the letter "B" if entered in the regular classification, and the letter "C" if entered in the "Miscellaneous" Classification, etc. In the third column, headed "Premium List No." write in the number shown for the sex and age of the breed and variety you are exhibiting. For instance, if you were entering a Barred-Plymouth Rock pullet in the Show, you would enter the number "4" as indicated in the premium list under the column headed "Premium List No."

In the wide column headed "Description of Article" write the breed, if large fowl or Bantams, and variety of your bird exactly as they appear in the premium list. Next enter age and sex (Cock, Hen, Cockerel or Pullet). In the column headed: "Leg Band No." **BE SURE TO LIST THIS EXACTLY AS THE BIRD WILL BE BANDED WHEN BROUGHT TO THE FAIR.** Important: **LIST ONLY ONE BIRD ON EACH LINE OF THE APPLICATION FORM.** Space cannot be reserved until receipt of the coop fee, and, remember: The right is reserved to reject entries after all available space is taken. A coop fee of \$2.00 for each bird exhibited must accompany your application form.

All birds must be entered in the name of the bona fide owner, who must have owned the birds for at least 60 days before the closing date for entries. Owners and breeders must maintain a breeding establishment sufficient to raise the birds so exhibited.

All birds are entered at the risk of the owner, and the State Fair management will not be responsible for any loss or damage, but will exercise all possible vigilance in the care of exhibits. No one will be allowed to handle fowl on display except the owners and officials of the show, without permission of the directors. The right is reserved to coop two or more birds of the same variety, and belonging to the same person, together if absolutely necessary. In no case will two male birds be placed in the same coop.

The American Standard of Perfection will be the guide of the judges in awarding premium. The premiums will be paid only on standard varieties listed in this catalog, and then only to worthy specimens. To win first premium, a bird must score at least 88 points; for second premium, 87 points. For less than 87 points, third and fourth prizes will be awarded.

The decision of the judges will be final. Protest will be entertained only when addressed to the Division Director of the Division III by noon of the day following the award, and then only when accompanied by a protest fee of \$5.00. Basis for protest: (1) Placing a disqualified bird; (2) Fraud; and (3) Clerical error. This fee will be forfeited unless protest is sustained by a majority of the judging staff and officials of the show.

After the judging, the management will endeavor to place on the coops any advertising material supplied by the exhibitor for his coop.

Mail entries, make checks for coop fees payable to, and address requests for additional entry application forms and further information, to N.C. STATE FAIR, 1010 Mail Service Center, Raleigh, NC 27699-1010

POULTRY

All poultry exhibited at the North Carolina State Fair shall have been in the possession of the exhibitor for sixty days or more prior to the date of the Fair. Exhibitors will fill out the "Poultry Exhibitor Certificate" in the back of this book.

All chickens and turkeys for exhibition at the Fair will originate from U.S. Pullorum-Typhoid Clean or equivalent flocks or have a negative pullorum-typhoid test within 90 days of admission to the Fair. The test requirements may be satisfied by a negative test conducted by an official state tester at the time the birds are brought to the Fair. The fee for pullorum-typhoid testing at the fairgrounds will be eight cents per bird, with a minimum fee of \$1.00 per exhibitor.

No poultry shall have received a live virus vaccine within 45 days prior to entering the Fair. It is recommended that all birds be vaccinated for laryngotracheitis with a modified live virus vaccine at least 45 days and not more than one year before the show.

All chickens and turkeys must be identified with numbered tamper-proof bands. Bands placed on birds tested at the fairground by state testers will satisfy this requirement. Poultry entered at the Fair are subject to examination (including blood test and swabs by a representative of the North Carolina Department of Agriculture.)

Birds will not be accepted which are infected with or showing any clinical signs of an infectious or communicable disease, or are infested with lice and/or mites.

Coops used in transporting live birds to the fair shall not be allowed inside the exhibit building.

Out-of-State birds will not be admitted this year.

N.C. RABBIT BREEDER ASSN., "Specials"

In support of the 46th State Rabbit Show at the 2005 N.C. State Fair, the North Carolina Rabbit Breeders Assn. is offering rosettes for Best of the six breeds having the largest number of entries.

There will also be licensed REGISTRARS at this show to Register any qualified rabbit with the American Breeders Association if the owner desires.

YOUTH CLASS

Youth exhibitors must be the bona fide owner and able to carry their rabbits to and from the judging table.

If they desire, Junior Exhibitors under age 18, may designate that their entries be judged in the Youth class instead of the Open Class. The rules and regulations, entry fees and awards are the same for both classes. It is against American Rabbit Breeders Association Rules to enter rabbits in any Youth Classes and also be in Open Class competition in the same show. However, youth can make entries in both Open and Youth with *different* rabbits. **IF YOU WANT YOUR ENTRY JUDGED IN THE YOUTH CLASS PLEASE MAKE THIS REQUEST ON YOUR ENTRY BLANK. OTHERWISE, IT WILL BE JUDGED IN THE OPEN CLASS COMPETITION.**

The youth show will be judged on Saturday, October 15, 2005.

FOLK FESTIVAL, N.C. State Fair, 1010 Mail Service Center, Raleigh, N.C. 27699-
1010

ENTRIES CLOSE: September 1, 2005

The Folk Festival was established in 1948 to preserve and promote the music and dance of the North Carolina's early years and to provide wholesome entertainment for visitors to the Fair.

The Festival presents the traditional music and dance of our state as it is performed by amateurs, persons young and old, who have grown up in the rich heritage of our folk arts. Commercial, professional or secretarian performances are not appropriate.

To be eligible for prizes, performers must have proper entry form post-marked by the closing date listed above. Properly entered contestants will have priority on the limited program time.

The Fair will provide an experienced band to accompany performers in their vocal and dance entries as needed. CD's and tapes may be used in categories not requiring the use of the Folk Festival Band. ***When using CD's and tapes, you are responsible for having them pre-set to correct speed and starting place for your performance before you are to go on stage for each show.*** Set-up time for performing bands is very limited and is to be approved in advance by the Superintendent.

When multiple categories are entered by a group or an individual, the "Max" time listed for each category will be reduced and will be determined by the number of categories entered and at the discretion of the Superintendent with a Max time of 15 minutes. Exceeding your time limit will result in a reduction of points in score by the judges.

Contestants should register for one day only, show times are at 10:00 a.m. and 2:00 p.m. each day, and all entries are expected for both shows on your entry date.

Judging takes place at all shows and the decision of the judges is final. Winners will be notified and premiums mailed after the Fair is over. Five factors are considered in scoring: Authenticity, Audience Appeal, Appearance, Competency and Enthusiasm.

About 25 apprentices usually match their skills in the contest, according to the records of the last few years.

The masonry contest dramatizes a program which the State has sponsored through the past five decades since the Apprenticeship law was enacted by the General Assembly in 1939. Offering young people of the State an opportunity to acquire skill and proficiency in any of the skilled trades, the Apprenticeship Program has turned out thousands of skilled workers. At present, approximately 9,000 people are receiving apprenticeship training on the job under the direction of journeymen, supplemented by related classroom instruction. The apprentice "earns while he learns."

People in the electrical industry feel that the electrical industry's future depends on apprenticeship, and the electrical apprentice contest dramatizes a jobs training program through which the State has assisted the voluntary efforts of industry to meet North Carolina's needs for skilled worker training. During the decades since 1939 when the apprenticeship law was enacted by the General Assembly, the apprenticeship training system has offered citizens of the State an opportunity to acquire skill and proficiency in many of the skilled trades.
